JOHN FITZGERALD KENNEDY
President of the United States 1961-1963
Assassinated November 22, 1963

Requiescat in Pace

Foreword

No man is an illand, intire of itself; every man is a peece of the Continent, a part of the maine; if a clod bee washed away by the Sea, Europe is the lesse, as well as if a Promontorie were, as well as if a Mannor of thy friends or thine owne were, any man's death diminishes me, because I am involved in Mankinde; and therefore never send to know for whom the bell tolls; it tolls for thee.

—John Donne

The idea behind this quote from "Devotions XVII" played an integral part in the selection of our theme, the 1964-1965 World's Fair.

If there is anything we have been taught in our four years at Malvern, it is that we must learn to live and work peacefully with other people. If we fail to do this, in this day of atomic power, we will all perish together.

One may ask what a world's fair has to do with a subject of such magnitude as this. A world's fair is a time of coming together, a time of international harmony. This idea is especially evidenced in the theme of the coming New York World's Fair—"Peace through understanding." Not all of us can be world travelers but a great number of us can visit many foreign countries in New York this summer and we will come away with more knowledge about, and therefore better understanding of, these countries and their people. We sometimes hate and fear that which we do not know. It therefore follows that anything which brings people together in a spirit of brotherhood and understanding will help do away with hate and fear and will lead eventually to peace.

This search for understanding through knowledge must not be put aside with our high school graduation, but must go on through our college years and into our business life, so that peace will be maintained. This peace will be built on the fact that each individual realizes that his life touches and influences the lives of others.

This theme, the 1964-1965 World's Fair, seems highly appropriate for the 1964 MALVERNIAN, since the faculty at Malvern has worked unceasingly for the past four years to make us aware of the truth of John Donne's perceptive line, "No man is an illand, intire of itself."

Our Headmaster

Father Francis B. Gilligan, O.S.A., our Headmaster, attended Roman Catholic High School in Philadelphia. After completing his secondary education, Father, in 1933, ventured off to Staten Island, where he entered the Augustinian Seminary. His studies finally brought him to that momentous day in 1943, when he was ordained to the sacred priesthood. He came to Malvern Prep in 1944, and began his long stay teaching Chemistry, General Science, and Religion as well. In 1959, Father was appointed Headmaster and has held that position ever since. Besides running the school, his duties

MOTHERS' CARD PARTY: left to right, Mrs. Hilferty, Mrs. Black, Father Gilligan, Mrs. Walsh, Mrs. Neeson.

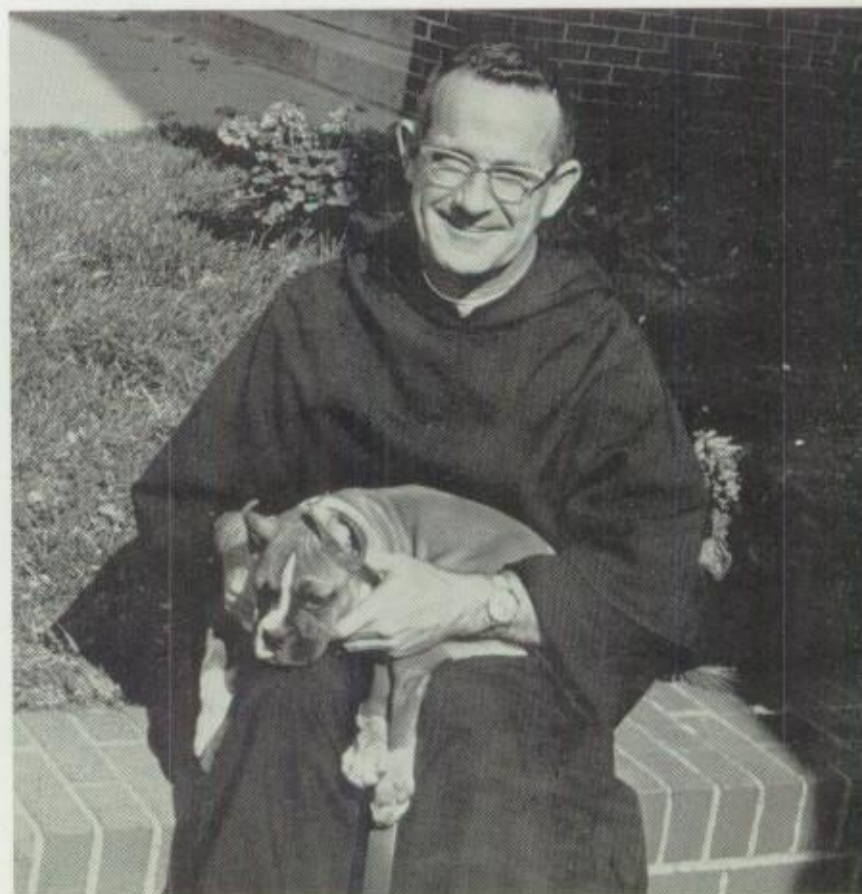

ON THE STAIRS stands Father Gilligan, just having completed his inspection of the science labs.

include officiating at such functions as Mothers' annual card party. However, Father Gilligan, as busy as he is, does find time to direct and produce Malvern's annual musical. Also, when time permits, he can be seen on the tennis court and even sometimes on the basketball court, showing a few of the students the intricacies of foul shooting. Another of his outside interests goes by the name of "Rocky," a boxer puppy, which Father acquired earlier this year.

Many times the office of Headmaster is linked with formality and aloofness. However, this is not the case at Malvern. Father Gilligan is always available to the boys or to their parents for the discussion of any problems that may arise.

We, the Class of 1964, feel that we have been very lucky in having this teacher, counselor, and friend as our Headmaster, and we know that Malvern Prep has been so much the better for it also.

DURING A WELL DESERVED REST, Father Gilligan and Rocky pose for the MALVERNIAN photographer.

A Noteworthy Message

My dear Malvern students,

Close to one hundred million people are expected at the New York World's Fair. People will come from far and wide; summer vacations will center around this area. Now, the announced theme of this New York World's Fair is "Unity through Understanding." Will the objective be achieved? When the millions return to their homes will the theme shine through in the excited accounts they have to give to their relatives and friends?

True understanding is a combination of many factors. Mere knowledge of a situation does not suffice. Knowledge must be implemented by such factors as sympathy, concern for others, courage, enthusiasm and humility. Not by chance do we find such qualities as components of the Catholic gentlemen. Understanding can be increased, certainly. Exposure to the cultural excellence of others finds a whole-hearted reception by all true gentlemen.

You are gentlemen, and good Catholic gentlemen at that. We feel that you are possessed of an abundance of those qualities that make for an understanding person. Please put them into practice on a daily basis. Reflect on the reaction an unsympathetic, selfish, cold and proud person has on us. Resolve that you will not be ever thus. Be ready to help those around you. Encourage those who need the support of a friend and be ready to stand up for them. See such good qualities in others that we ourselves can then not be unduly proud.

This will be putting into action the lessons of the past. In your own circles you will achieve our desired union of God's children.

May God bless you always and may His Mother, Mary, protect you as Her sons.

Sincerely yours in Christ and
Saint Augustine,

Fr Francis B. Gilligan, O.S.A.

Father Francis B. Gilligan, O.S.A.
Headmaster

FACULTY: OUR MENTORS

TOWER OF LIGHT

PORT OF NEW YORK AUTHORITY

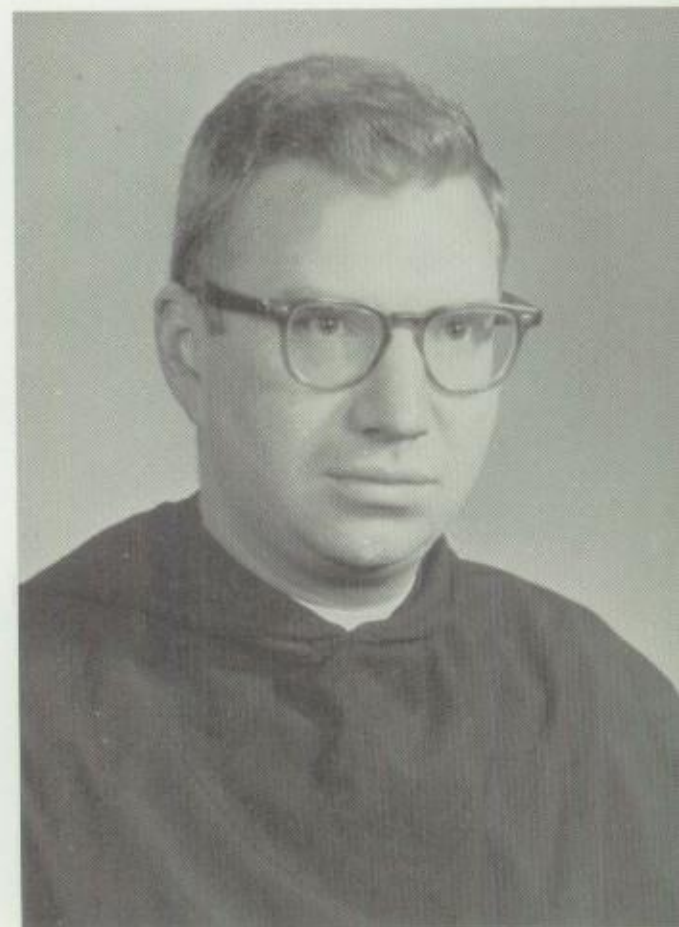

NEW YORK CITY MUSEUM
OF SCIENCE AND TECHNOLOGY

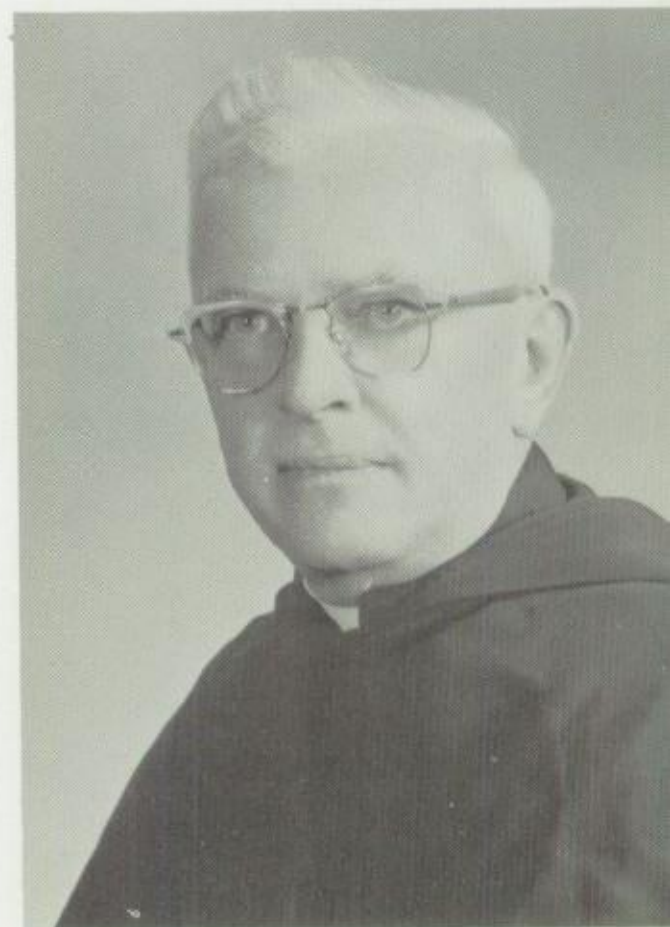

REV. WILLIAM J. CARNEY, O.S.A.

Father Carney, well known for his interest in athletics, returned to Malvern this year after a five year vacation in New York. Possessor of an M.A. in English, he teaches, oddly enough, English. Father is best known for his one-way doors and booming "NO!!"

MR. JOSEPH L. CASCIOLI, O.S.A.

Malvern's bright spot, Mr. Cascioli, is a newcomer to our school. He has an A.B. and teaches Religion I, II, and III, Latin II, and Composition III. Moderator of the rifle team, he is very distracting to our ace marksmen.

REV. JOHN J. DALEY, O.S.A.

A very capable Prior, Father Daley has a Master of Arts degree in History from Villanova University. He employs his talents teaching Religion I, Spanish I, II, and III, and coaching our golf team as well. Father is often heard saying, "muy lousey," or "Tu eres muy estúpido," both of which express quite well his feelings for his third year Spanish class. Asi es la vida!!

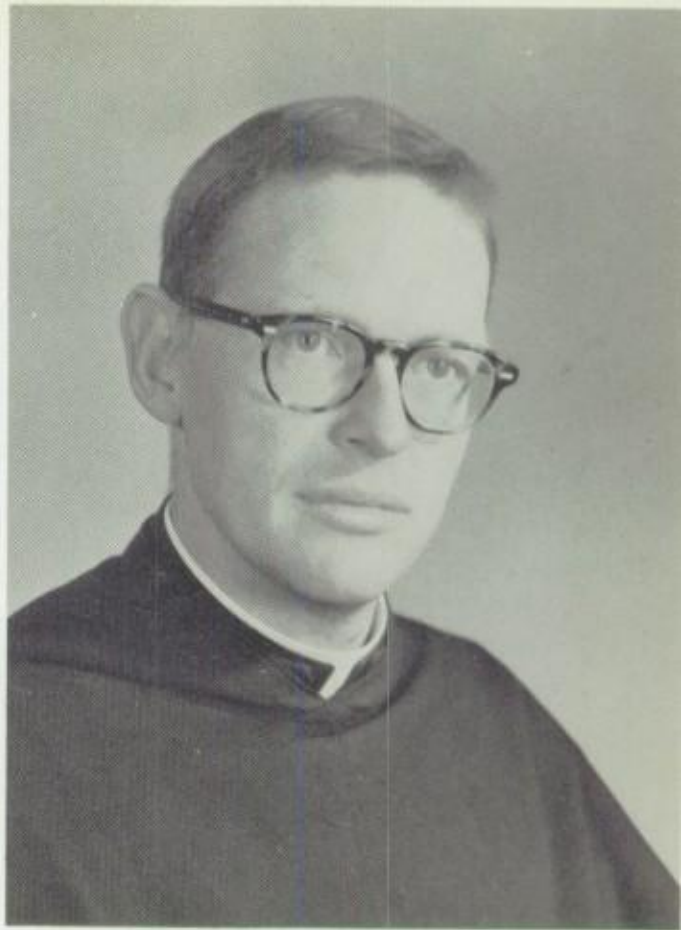

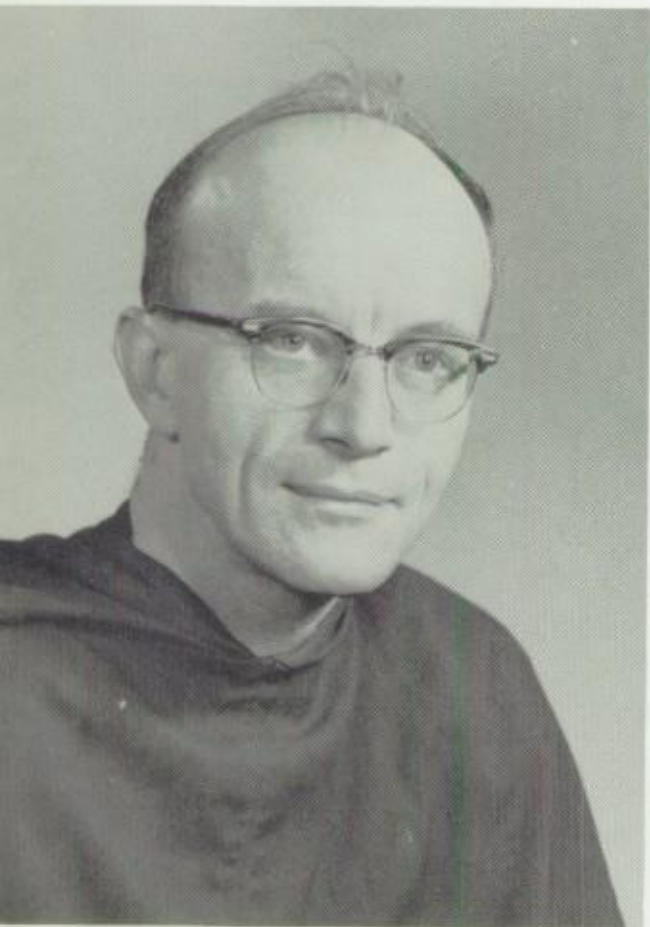

REV. EDMUND J. DOBBIN, O.S.A.

Father Dobbin teaches Math to freshmen, seniors, and post graduates, and is known for his love of animals. "Stretch" can often be seen cavorting on the courts, where all his shots are noted to be perfect "parabolders." He is our capable Prefect of Discipline, holds an M.A. in Mathematics, and lists the sleigh bell season as his favorite.

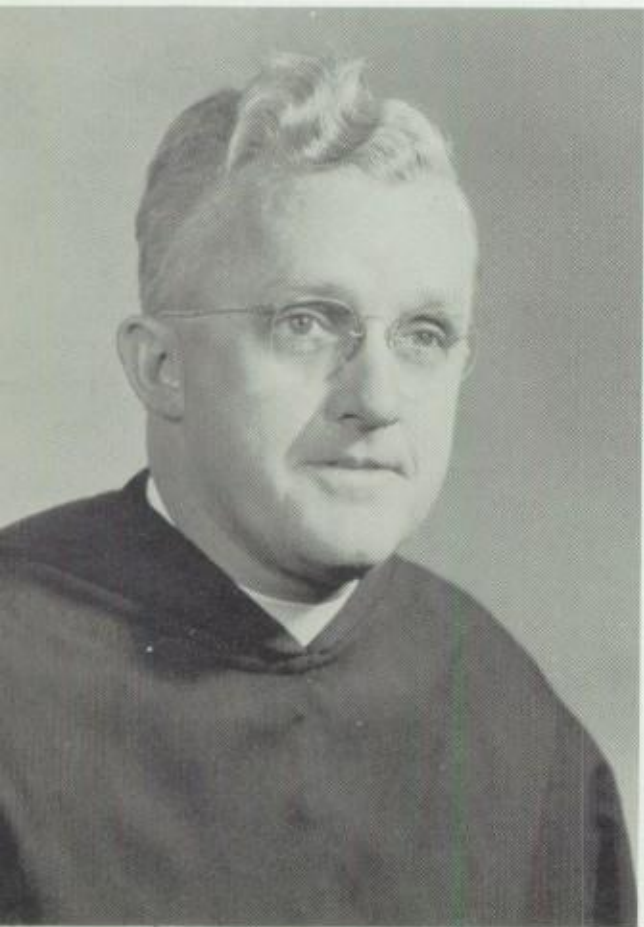

REV. WILLIAM T. GARLAND, O.S.A.

An active man on campus, Fr. Garland in addition to his teaching and guidance responsibilities, is chaplain and swimming moderator. He is well-suited for both his teaching and guidance work with M.A. degrees in both Theology and Counseling. Despite the erroneous suppositions of his Latin I and Religion III students, Father is *not* related to the Batman.

REV. CHARLES L. KNAPP, O.S.A.

One of the most dedicated teachers at Malvern is our laconic Fr. CLK. A friend to all students, Father teaches Logic, French, German, and Ethics. With an M.A. in Philosophy, he is presently working on an M.A. in French. Father's hobbies include listening to records of wild Latin orgies and giving Fandango lessons at lunchtime.

REV. JAMES L. NOLAN, O.S.A.

The generosity of Father Nolan, our Procurator, is responsible for the MALVERNIAN's new cover (he is also responsible if we do not have a new cover). Kept busy by his financial duties, Father also finds time to teach Religion I and III and Math I. Father is often heard saying, "Don't call me 'Ace,' Chester."

MR. JAMES M. AUCH

Mr. Auch, who possesses a B.S. in English, teaches World History and Public Speaking to freshmen, and Hygiene to freshmen and sophomores. Outside the classroom, Mr. Auch can be found working diligently in his office, behind the counter of the athletic store, or out on the football field looking things over as he fulfills the duties of his position as Athletic Director. We hope Mr. Auch and his white Chevy station wagon will remain on the Malvern scene for many years to come.

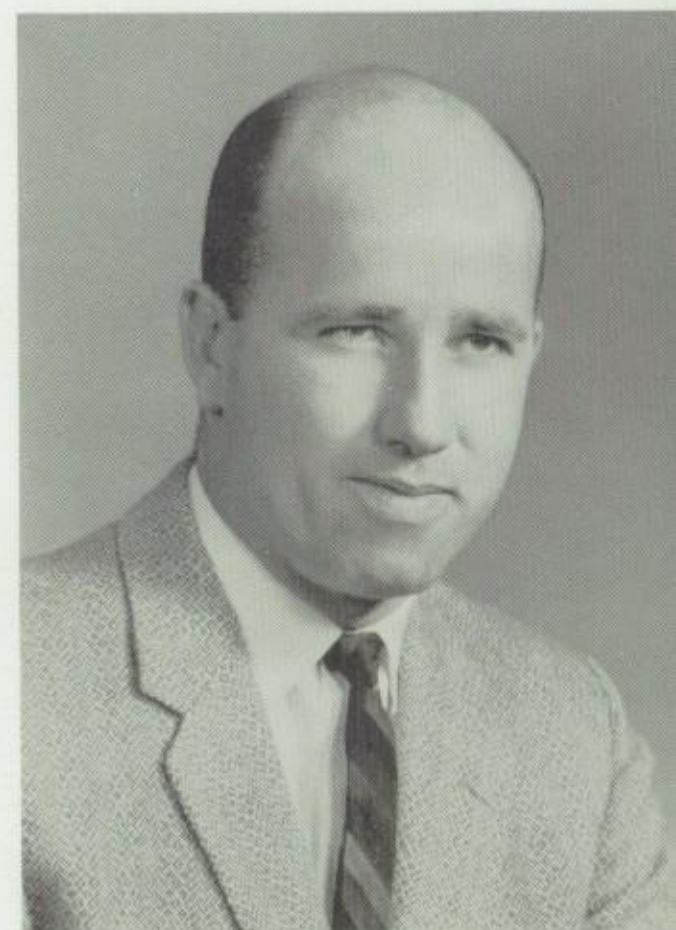

MR. DANIEL CASHMAN

One of the newer faces of our faculty, Mr. Daniel Cashman returned to Malvern at the mid-year in 1963. He teaches English II and American Literature in his spare time, while supervising the MALVERNIAN is his first calling. Renowned for his bird-calling abilities, lively classes and sluggish Triumph, he is hard at work rebuilding the fine reputation he attained as a student here.

MME. TADEUSZ CZACKI

Mme. Czacki, a graduate of the Warsaw School of Arts and the Sorbonne, has worked in the State Department Foreign Office and the American Liaison Office in Germany. She abandoned her French classes this year to serve as a full-time school librarian. Her warm smile and willing helps are especially appreciated when term papers are nearly due. 4:30 P.M. Monday through Friday she locks up the library with her familiar time-worn phrase, "Get your books, I am going to close the library."

MR. DANIEL DOUGHERTY

Mr. Dougherty, who has a B.S. in Finance, teaches Algebra I and II. His extracurricular activities include coaching Varsity Basketball and Baseball. He is best known for his no-nonsense study halls where quiet reigns supreme, and for his co-operation with the federal government in its "ban the cigarette" campaign.

MR. ROBERT FARLEY

"We graduated from Villanova University with an A.B. in Philosophy. The fact that we are a bachelor gives us the required experience for coaching track at Malvern. We also teach Biology, which is the most inspiring course taught here. We are often heard asking, 'Can you beat Kelly?'"

MR. DANIEL MACHON

Quickly and capably filling the shoes of both Mr. Campolongo and Mr. McKenna, Mr. Machon gained notoriety as an exacting precisionist in the art of English. With an artistic flair, he is always ready to turn an ordinary run-of-the-mill composition into a sparkling masterpiece. Although he is often heard saying, "Shshshsh," his favorite expression is "Deus eum cepit!"

MR. DONALD J. McBRIDE

Sprinting through Shakespeare, Mr. McBride is remembered fondly by all of his former English or World Literature students. Hailing from St. Joe's, where he was a basketball star, he now stays physically fit by coaching Varsity Football and keeping order in class. Who can ever forget Mr. McBride's love of animals, or when he ran jug?

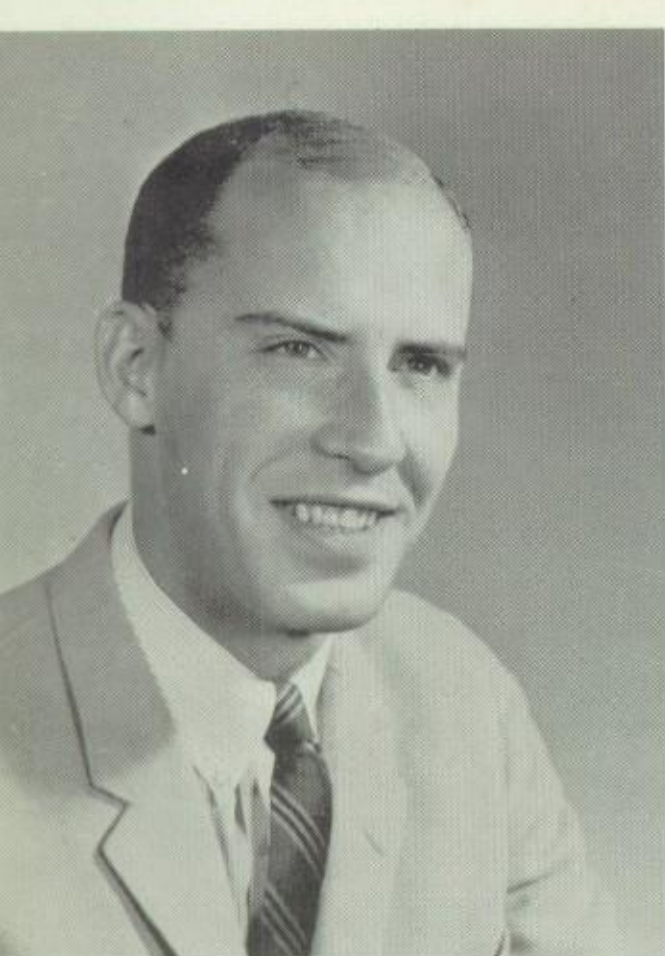

MR. FRANCIS McDONOUGH

Mr. Francis McDonough, capable student advisor and guidance counselor, received his B.A. in Philosophy and M.A. in Education at Villanova University. He is always eager to help an inquiring student through the confusing labyrinth of Plane and Solid Geometry. His re-re-re-tests and caustic wit are pleasant memories to all those who were fortunate enough to have studied under him.

MR. DOUGLAS J. MURRAY

Known all over the campus for his wide and gleaming smile, Mr. Murray, who possesses a B.Sc.E. degree, has endeared himself to most seniors through his adept teaching of Physics and Math IV. His extracurricular activities include heading the Goon Squad and moderating the Varsity Fratz team, with the able assistance of Captain Rinky Joe Torelli.

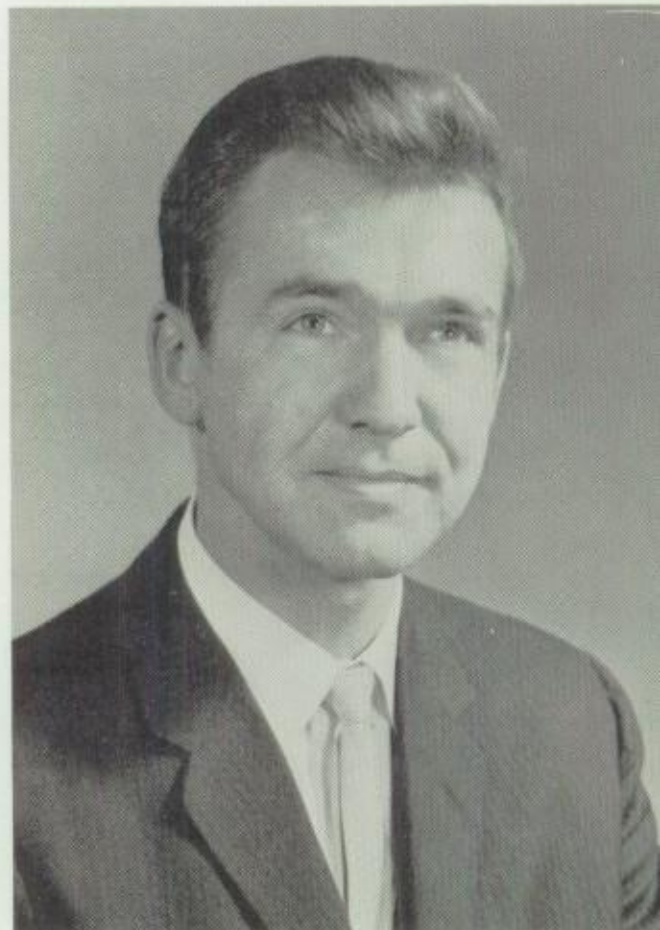

MR. LAWRENCE PALACIO

Growth, Gross National Product, Net National Income and such terms are very familiar to Mr. Palacio, our economics teacher. However, he does not confine his endeavors at Malvern to economics. Mr. Palacio teaches U. S. History and coaches our championship swimming team as well. Besides these activities, he runs the Physical Education classes for freshmen and sophomores. He is best known for his camel-hair coat, and his affinity for small cars and large volleyballs.

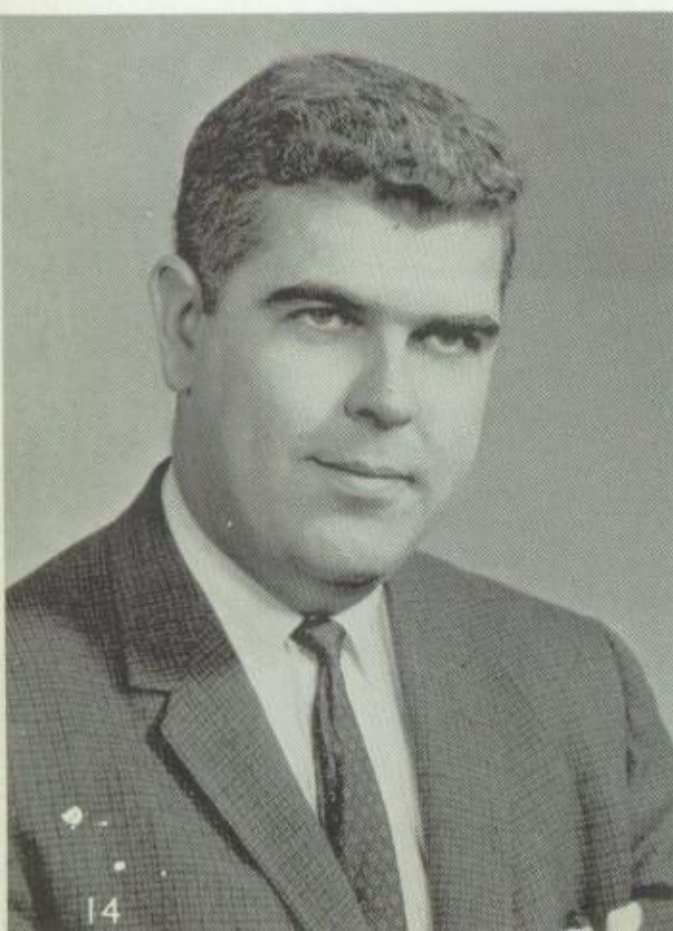

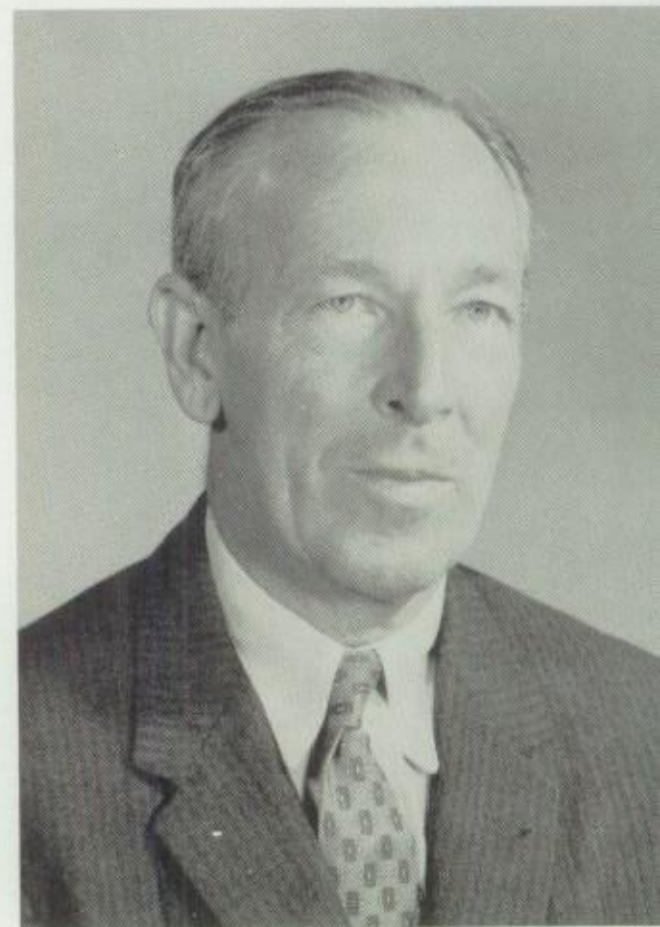

MR. JOHANNES SCHMIDT

Mr. Schmidt comes to us from across the ocean where he studied at Maximilian Humanistic Gymnasium. He procured his B.A. at Villanova University, has a state certification in modern languages, and is working for his M.A. in Classics at Penn. Besides reliving past adventures, Mr. Schmidt teaches French III, Latin II, III, and German I, II.

MR. G. NELSON SOEDER

Chemistry and General Science are kept interesting by Mr. Soeder, owner-operator of that famous green Buick. Always ready with a quick pun or slow joke, he is eager to help the floundering student with careful, methodical explanations and examples. He holds a B.S. in Chemical Engineering from University of Pennsylvania.

MR. BASIL B. SULLIVAN

Mr. Sullivan, who holds a B.A. degree in Political Science, teaches P.O.D. and U. S. History. He also inflicts sudden death, heads marches through muddy fields, moderates dances, projects squiggly little lines on a big screen, smokes wormwood, sweeps the rifle range, drives a Chrysler, tells old army stories, and runs a local political machine. Mr. Sullivan is a very busy man.

Secretaries:

MISS NANCY BACKUS

MRS. LEWIS WINNEMORE

MISS CATHERINE A. McCULLOUGH

MISS MADELEINE E. DEVER

MISS ROSEMARY T. QUIGLEY

MRS. ROY RIDGWAY

Behind the Scenes

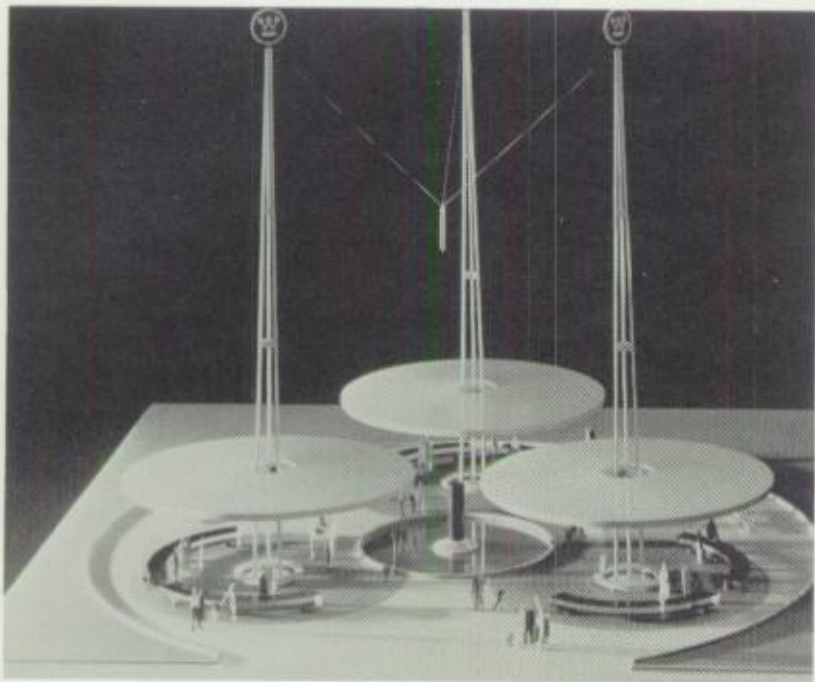

Sisters: Our Quiet Workers

SISTERS: front row, left to right—Mother Edvige, Sister Emma. Back row, left to right—Sister Julia, Sister Raymonda, Sister Agatha

Our sisters, who, year after year, quietly and unobtrusively go about their tasks, are deserving of our appreciation and thanks. The sisters act as housekeepers, sacristans, and cooks, taking care of one hundred mundane tasks that we are all prone to take for granted. The members of the Class of 1964, therefore, wish to thank the sisters for the four years of service graciously rendered to them.

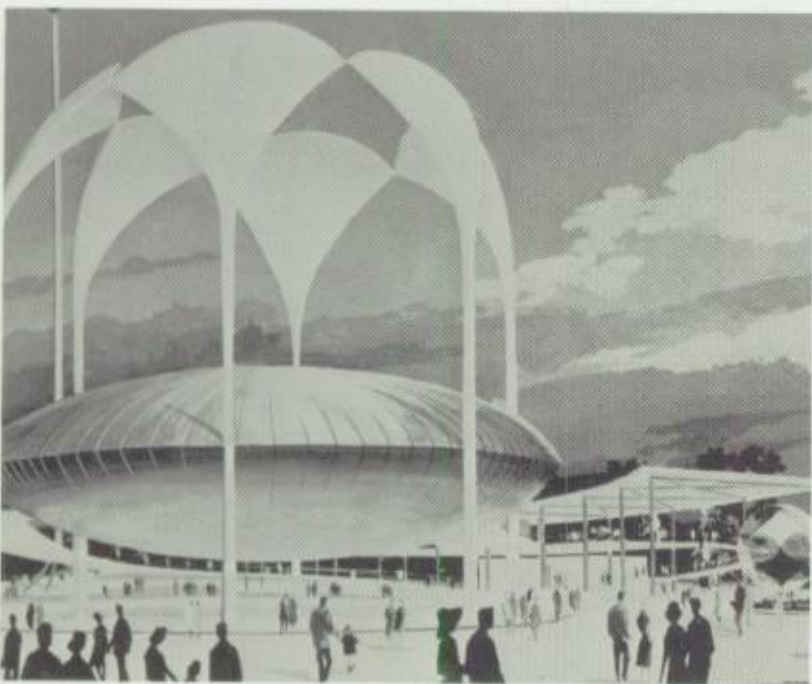

SENIORS: THE VANGUARD

WESTINGHOUSE

GENERAL MOTORS

JOHNSON'S WAX

Senior Class History

Four brief years have passed and we are left with many memories. Bonfire rallies, can drives, speed bumps, snow days, football games, biology projects, chemistry lab periods, Fr. Pejza's parking lot raids, Mr. Howley, typing class, proms, Fratz, Saturday jugs, card party chances, Mr. Campolongo, and the great "2½" purge all bring back personal reminders of the past. Perhaps the following anonymous composition typifies the many hours we have spent in class.

"The teacher strides casually into the classroom. He begins the prayer, changing the timing between the words just enough to make the students sound like babbling illiterates. Score one point for the prof. A surprise test sets hard in the stomachs of the eager (?) mob. One boy has panicked and asks to be excused. His request is denied. He is told, 'Sit down.'

The test, setting a precedent, is comparatively easy. However, after the papers are distributed, the public address system hums into life as the week's announcements are made. The volume is just loud enough to rattle the windows in the back of the room. After fifteen minutes of this torture, chemical warfare is thrown into action. A 'Kentucky Blend' of overripe tobacco is ignited in the bowl of an enormous pipe, capable of heating 9600 cubic feet

SENIOR RED CLASS OFFICERS: left to right—Jack McGarvey, Mike Byrne, Pete Hand, Mike Buckley, Jim Mahoney

SENIOR WHITE CLASS OFFICERS: left to right—Albert Alejo, Jack Ryan, Bernie Mo Fadden, Joe Gontram

of air per hour. The scent, fondly labeled 'burning rubbish,' diffuses throughout the entire room. Fortunate souls with head colds are able to continue answering questions, for they are suffering from only *mild* nausea. The cough rate rises for the next few minutes.

"The test is soon collected and the teacher announces that he wishes to see the homework due.

"Immediately, some of the most creative minds in existence swing into action. Simultaneously, another group of experts speeds up its writing. The papers are collected. Tonight's homework is assigned. Moans float overhead in the smoky atmosphere. For the remaining minutes, we forge ahead, while certain souls try in vain to get the teacher onto another subject.

" 'Sir, what do you think of the Giants this season?' 'Father, what effect will the Pope's trip to the Holy Land have on the Church?' No success!!! Suddenly, a multitude of countdowns begin. The class has only seconds remaining. All eyes are fixed on the door. Suddenly, the bell's shrill tones are heard. The doorway is jammed, then empty. There are two people left; namely, a smiling teacher and a limping student. It's hard to walk with crossed legs."

It was worth it.

SENIOR BLUE CLASS OFFICERS: left to right—Chip Hoffner, Abe Hobson, Steve O'Grady, Danny O'Brien

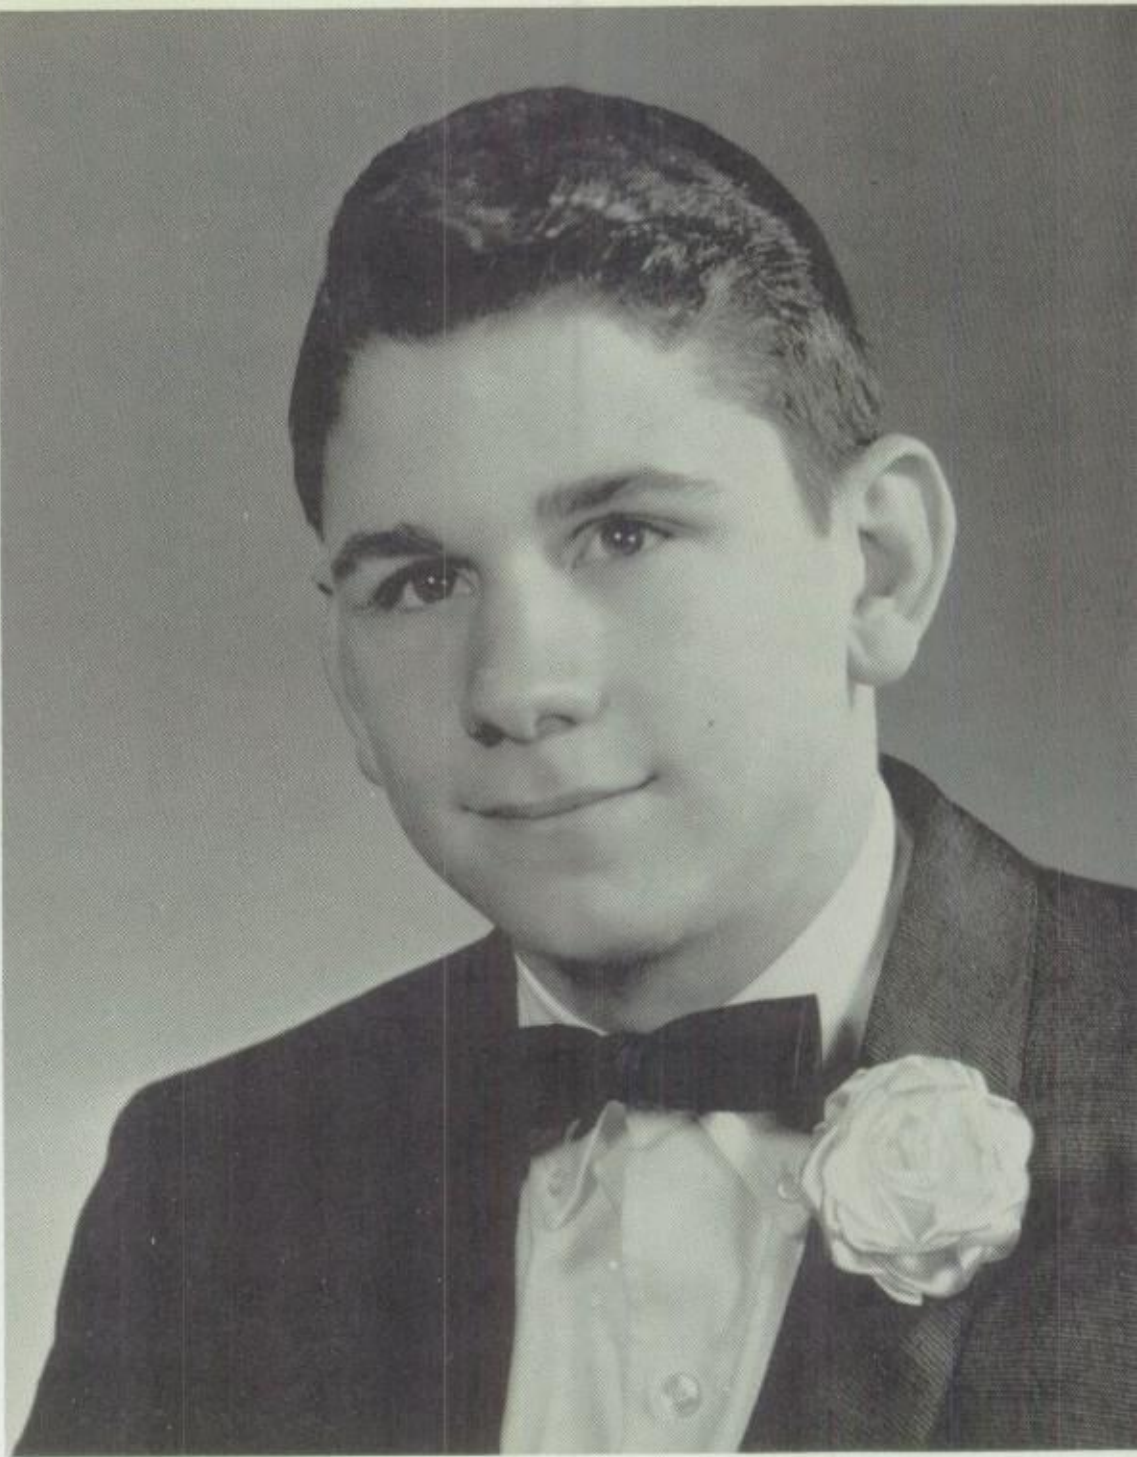

STUDENT COUNCIL: left to right (seated) Mike Buckley, John Hilferty, Bernie McFadden, Pete Hand, Mike Byrne; (standing) Bernie Parson, Abe Hobson

PAUL ALBERT AGERTY
 1138 Morris Road
 Wynnewood, Pennsylvania

Noted for always being first in any alphabetical order, "Ag" came to Malvern as a freshman from Waldron Academy. He can be seen riding the Malvern school bus each day to and from school. During the summer months, Paul spends his time in and around the swimming pools near Wynnewood. Swimming? Of course! Ag's favorite class is Mathematics with Mr. Murray, and he intends to pursue an accounting course at Villanova University.

ALBERTO ADRIAN DE ALEJO
 5635 Onduna Drive
 Coral Gables, Florida

This well-known member of the senior class is famous (infamous) for his heated discussions, "et cetera," in Mr. Sullivan's P.O.D. class. Constantly threatening to grow a beard and take out his machine gun, Alberto would rather fight than switch from what the cafeteria has to offer. He enjoys travelling and plans to attend Georgetown School of Foreign Service in the fall. Good luck, Al!

CARL FREDERICK BAGBY
700 Fort Branch Road
Pearisburg, Virginia

The Rebel and his drab wardrobe came to us from Pearisburg Elementary, his transportation, two feet and a thumb. This sickliest resident of Alber's Hall claims that he has only fallen asleep in class once. He is an avid and successful track man, a co-captain of this year's cross-country team and a member of the Inter-Ac mile relay team. He has only recently taken up diving for the swimming team. He plans to attend the University of Virginia (of all places!) for a Pre-Med course. Favorite expression: "Save your Dixie Cups, the South will rise again."

THOMAS JOHN BALSHI
506 Orchard Lane
Bethlehem, Pennsylvania

Tom arrived on the Malvern scene from St. Ann's Grade School in Bethlehem, Pa., with 200 pounds of weights under his arm. Every afternoon you could hear Tom grunting and groaning as he prepared himself for the wrestling season. Apparently it paid off, for Tom made the varsity squad all four years and was elected captain in his senior year. His other extracurricular activities include editing the school newspaper. Many were the times that he typed away into the early hours of the morning. Tom plans to attend St. Joe's to take Pre-Med. We all wish him the best of luck in the future.

EDWARD LEARY BARTLETT, JR.
 602 Winsford Road
 Bryn Mawr, Pennsylvania

Ned is a Waldron grad who for four years has risked the thrilling but dangerous ride in the Overbrook bus. Occasionally, however, he finds it necessary to calm his jangled nerves, and so he often chooses the more placid ride in the "Scungy Six." The Nedlett's favorite class is Logic, where he can often be heard squeaking, "In other words . . ." Fuzzy spends his summers wandering up and down the Eastern Seaboard, and running John Wanamaker's in his spare time. He intends to take either Chemistry or Pre-Med next year, but we think he would make a great Psychology major.

JOHN WILLIAM BELLANO
 161 Netherwood Drive
 Springfield, Pennsylvania

There have been many interesting facets to John's long stay at Malvern but perhaps the one that stands out among them and reminds us immediately of John is his car. There have been many comments on it but undoubtedly the most accurate generalization would be "Ugh!" Enough said. John is another charter member of the formidable parking lot committee. He lists his favorite class as Father Knapp's Logic and arguing period. His favorite pastime, and the one at which he is extremely adept, is eating lunch in the cars up in the parking lot. John, at present, has his sights set on taking a Liberal Arts course down at good, ol' Mr. McBride's alma mater, Saint Joe's.

MICHAEL JAMES THOMAS BLEEG
602 Golf Club Road
Newtown Square, Pennsylvania

Mike is a product of Saint Aloysious Academy, and the end of each quarter finds him on the honor roll. During the summer, when not driving his father's 1962 Corvair 700, he caddies at Aronimink Country Club, which accounts for his being one of the better golfers on Malvern's team. Mike, who claims Math as his favorite class, plans to attend the University of Notre Dame.

NEIL KENNETH BORDEN
934 Longview Road
King of Prussia, Pennsylvania

"Nabe" is a four-year veteran of Mr. "Bullet" Bob Farley's able track team. He is one of the team's sprinters and can usually be seen running away from somebody. He is also an avid footballer, the manager of the varsity and the consistent half-time star of all our games (until junior Tom Reidy came along). Neil came to Malvern in freshman year from Saint Katherine's in Wayne. He lists his favorite class as Father Knapp's Logic class and his favorite expression as "Hi group!" At the close of his illustrious high school career, Neil hopes to attend either Fordham University in New York City or Penn State to take up Pre-Medical studies.

JAMES WILLIAM BROWN
2224 Winding Way
Broomall, Pennsylvania

At precisely 7:40 a.m. Monday thru Friday, the silence of Broomall is shattered by the staccato roaring of an eight cylinder rolling coffin. Sliding behind the wheel, James W. Brown sheds all conservative ties, assumes the look of that crazed "Weird-oh" on his dash, and fastens his safety harness. To the "Surfer Bird," he gaily meshes gears and wheels out in a cloud of rubber dust and motor oil. Arriving at school, cutting back on throttle, and becoming normal once again, Jim assumes the deceiving looks, marks, and accomplishments of a very good student. To learn more ways of souping up that speedy "Diamond Gloss" Chevy, he plans to study Physics at Villanova.

RICHARD ANTHONY CHANSING
C.S.V. Maracaibo, Venezuela

The well-known and often-sought Art Editor and Miscellaneous Editor for the Renaissance comes to Malvern each September from a faraway land called Venezuela. The co-manager for the cross country team began his education at Malvern in his sophomore year and has since then been constantly in demand for his fabulous talent in the field of art. During the three short months of summer vacation, "Chance" spends a good deal of the time swimming. He has not decided what college he will attend, but Rich does know that he wants to take an art course and then go into commercial art.

BERNARD JOSEPH CLARK III
 R.D. #1
 West Chester, Pennsylvania

A four-year day-hop from West Chester, Bernie will always be remembered for his comments and questions as "the lawyer" of Fr. Knapp's Logic class. He earned the title with his acute mind that is on the alert for any slip-up, loophole, or fault. During sophomore and junior years, Bernie swam the backstroke for the Malvern mermen, but this year, the lure of basketball got the best of him. This member of the Volkswagen clique will spend this summer like past ones, as a life-guard. He plans to study law, but as yet he is undecided in his choice of college.

PETER LAWRENCE CLEMENS
 602 Lanmore Avenue
 Wayne, Pennsylvania

A graduate of St. Aloysius Academy and the Conestoga Swim Club, Pete and his metallic blue bomb are welcome everywhere from Collingdale to West Chester. His hobbies include wiring rooms for sound and keeping thoroughly informed on the whereabouts and condition of every hot car in Wayne. His favorite expression is "Cut it out," which usually refers to your muffler. Pete lists Physics and Math as his favorite classes. He plans on taking Chemical Engineering at Villanova next fall. No doubt this is also due to Mr. Murray's guiding influence. Good luck, Parnelli.

THOMAS DONALD CLIFFORD
1804 Westover
Morrisville, Pennsylvania

The swimming pool just wouldn't be the same without "Cliff." He has held a prominent position on that team ever since he came to Malvern from St. Ignatius (Morrisville, Pa.) in his junior year. During his stay at school, he has earned the friendship of all and his versatile personality has made him an oft-mentioned figure on the Malvern scene. After graduation he will spend a care-free summer before attending Villanova where he plans to take Liberal Arts.

MICHAEL LAWRENCE CONNEEN
216 E. Eagle Road
Havertown, Pennsylvania

In 1959, two things happened: the U. S. Mint started issuing 1959 coins, and Mike Conneen arrived at Malvern. His vintage MG is a familiar sight (and sound) on the Malvern campus. He spends his summers as a super-salesman at Strawbridge & Clothier and his springs as a perennial Cap 'n' Bonnet player. He is often heard at rehearsal mumbling something that sounds like, "This is ridiculous." Mike didn't tell us what college he plans to attend, but spies inform us that Villanova will be the lucky institution.

THOMAS WESTON CREATO
43 Chestnut Street
Haddonfield, New Jersey

Creats, Malvern's answer to Pete Retzlaff, came all the way from Haddonfield, New Jersey, to join the ranks of the boarders at Malvern. Tom wasted no time in obtaining an end spot on the Friar eleven. He held the position of a "tight" end for three years. However, there is one more sport close to his heart—getting home as quickly as possible after school on Friday. Tom is the only boarder who can boast of spending only one weekend on campus in three years. He spends his summer months loafing at Ocean City—don't we all?

ERNEST JOHN DISABATINO
2401 Pennsylvania Avenue
Apartment 1002
Wilmington, Delaware

John joined the Malvern boarders in his junior year, after completing two years at St. Helena's in Wilmington, Delaware. His summers are spent working on construction and the free time is accounted for in Ocean City, N.J. DiSab is often heard saying, "Have an idea," in disgust, to a person less accomplished than himself. Our Mr. Computer can be called upon at any time to fix a record player or a bad connection in a radio. If you don't have any electrical trouble, John can help out with just about anything in the mechanical line. This is quite in keeping with his plans—Engineering at Notre Dame.

JOHN RUSSELL FAVORITE
615 S. Church Street
Moorestown, New Jersey

The author of the "Critic's Chair" in the Renaissance hails from Moorestown, N.J., and started at Malvern in his freshman year. In serious or informal conversation John is heard asserting, "I kid you not." "The Little Frog" is a Favorite in the physics class and enjoys writing short stories. Since acting is his hobby, it is difficult to know what John is really like. He acts from the moment he gets up until the lights go out. His summer is spent working at a day camp in northern New Jersey. Because he plans to become a movie producer, John tests his ability on his fellow students, who sit in cheerful criticism of his often dis-coordinated sound-motion pictures. To use this great natural talent, John plans on a Temple University Dramatic Arts Course.

JOHN BEAUMONT McKEEVER
Green Banks Farm
Downington, Pennsylvania

"Keeve," one of our quieter and more reserved students, pulls into the Malvern driveway from Downingtown each day in his '61 Oldsmobile. He says little, and we know even less about what he is thinking. But he is thinking, and from the rare moments of conversation come proof that the energy expended has not been wasted, for he has definite well-reasoned ideas on many topics. An avid German student and summer-time resident of Asbury Park, John is planning an English course at Georgetown (no doubt the result of Mr. McKenna's illustrious sessions). We wish him the best of luck.

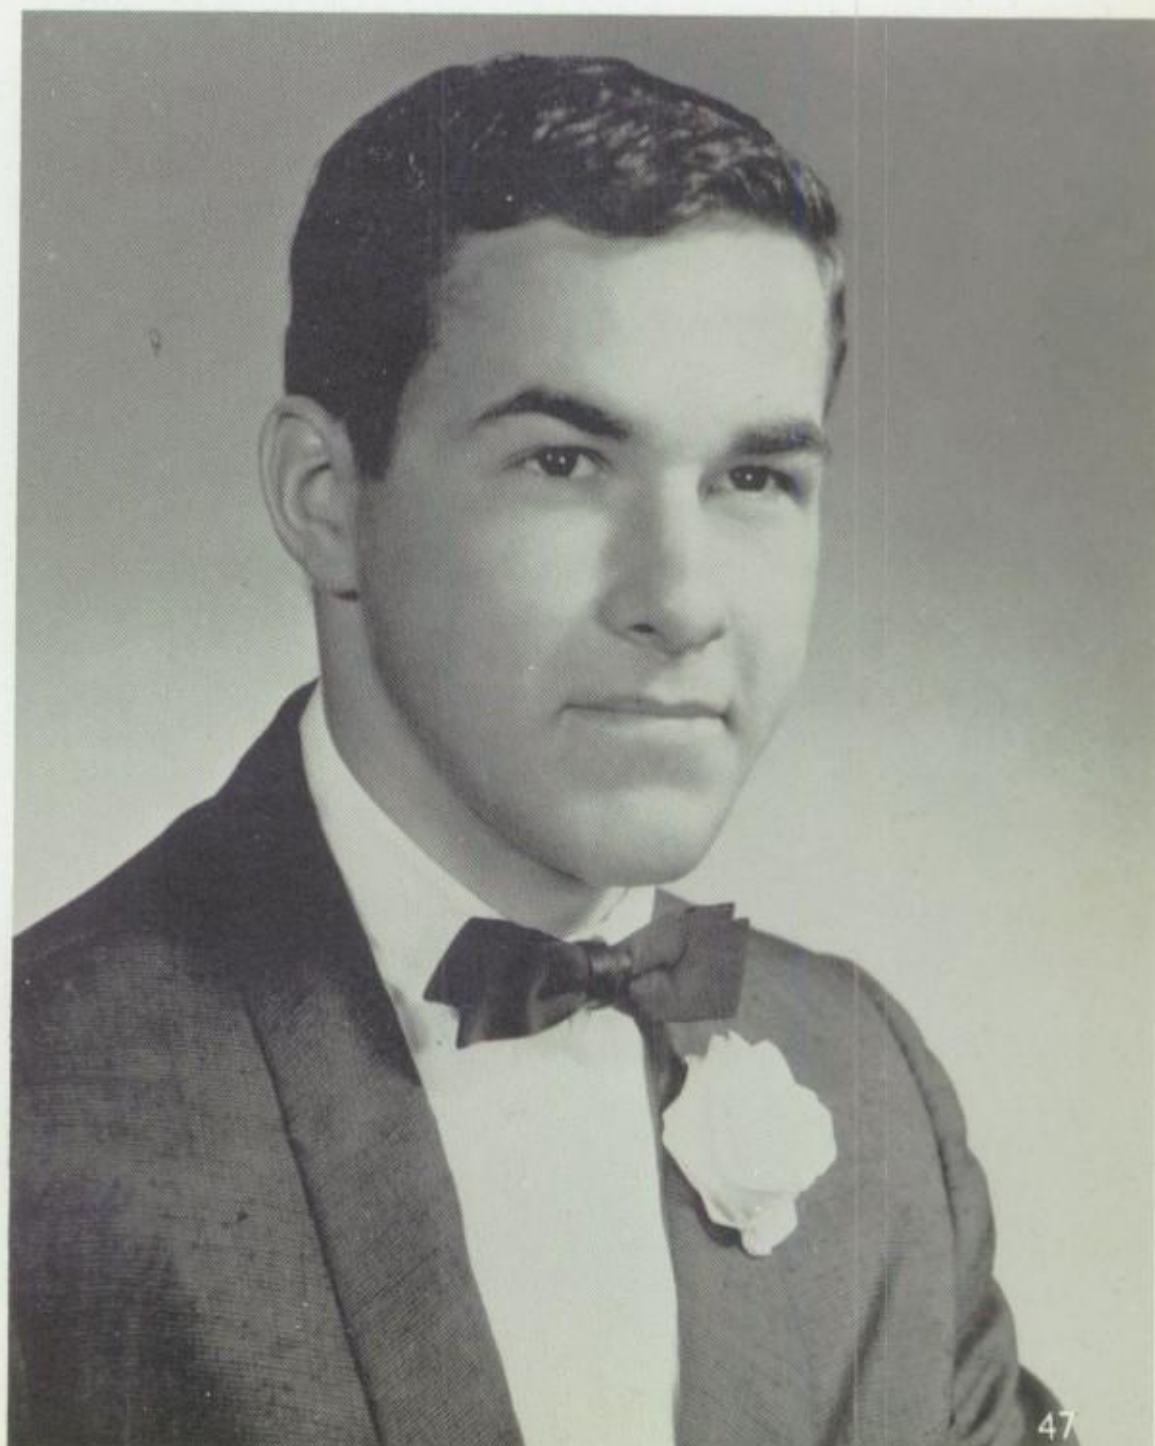

Cross Country 1
Class Officer 1

ROBERT ANTHONY NAPLES
11 Wayne Avenue
Chevy Chase, Maryland

Bob is the speedy little fellow who usually wins the boarders' touch football games. Malvern got its first glimpse of him and his "That-ain't-no-big-thing" philosophy in 1962, and ever since then has been affected by his "go out of the way to help" attitude toward his friends and associates. When the spring of the year finally rolls around, one can see Bob in the auditorium, practicing for the annual school musical put on by the Cap 'n' Bonnet players. His summers are spent "sunning it" at the beach in Ocean City, Md. His plans include a Business course at Villanova come fall.

RICHARD WILLIAM NICHOLAS
2820 Dogwood Lane
Broomall, Pennsylvania

Another one of the hot Broomall dragsters, Rich sports a variety of cars: Chevy, Oldsmobile, and Volkswagen. The "beetle" is his favorite because of its stability on turns and the added horsepower from reversed wheel bases. During the summer he also claims an attraction for a certain bakery in the area, and nicotine runs a close third behind grease and pastry stains on his hands. Rich, who has been a charter member of all the dance committees and one of the few who really deserved to appear in the picture, is as yet undecided as to his future, but one can be sure that the sound of roaring motors will play a pretty big role.

DANIEL ANDREW O'BRIEN
Wyola Farms
Newtown Square, Pennsylvania

O. B. O'Brien comes from Waldron and Wyola Farms, is either the "transmissionless wonder," a brand-new '42 Lincoln, or a little-new '49 Jeep. Since he's much too shy to even talk to girls, he spends summers working in Philadelphia or in Stone Harbor. He is one of the leaders in the Squires and spends after-school time kicking some ball around the upper field. He says he's playing soccer. Also with the Cap 'n' Bonnet players, he could easily get a lead part if he just weren't so afraid of girls. Undecided as to which college he will attend, Danny will no doubt continue in his shy ways forever asking, "Where's the party?"

STEPHEN THOMAS O'GRADY
377 Charles Street
East Williston, New York

Steve, whose nickname, "Rosie," continues to befuddle day-hops, is a four-year boarder from Northside School in East Williston, New York. At the second lunch period, you'll find him at the head of the lunch line. If Steve's not there he'll be in Room #3 of Albers Hall reading *Sports Illustrated*. He practices what he reads, as is evidenced by his starting position on the Soccer team and prominent place on the Varsity Track team. Steve will always be remembered for his speed in getting out of bed in the morning in time to make the last bell for chapel. Jones Beach on Long Island captivates his interest during the summer months, and he plans to take Accounting at Villanova.

JOHN JOSEPH O'KEEFE
1017 Barberry Road
Bryn Mawr, Pennsylvania

In his four-year stay at Malvern, John has earned the coveted title "Jughead," because he holds the record for the number of detentions attained during the course of a school year. His red TR-3 has brought him fame as Malvern's answer to Jimmy Clark. Logic is his favorite class and he claims that "Don't sweat the small stuff" is his favorite expression. He hopes to be able to make the daily trip from his Bryn Mawr home to Saint Joseph's College for a Pre-Med course.

KEITH TERRY PALEN
431 Rittenhouse Boulevard
Norristown, Pennsylvania

Polevault Palen comes to us from Norristown, whenever they let him out. A four-year man, Terry won a spot on the Varsity Track team in freshman year and has held it ever since. Terry's "Terrible Tempest" is a frequent visitor to the Malvern parking lot, where it never fails to leave its mark(s). Goof lists Logic as his favorite class, but everyone knows he really prefers English and French. However, Logic class must be the source of his two unique philosophies: "Where ignorance prevails, vulgarity inevitably inserts itself," and "Tempest Fugit." Next year will probably see our fair-haired boy in a Law course at either Villanova or William and Mary.

ROBERT LOUIS PALMER
1115 Ashbridge Road
Rosemont, Pennsylvania

Bob came to us from St. Aloysius wearing a raincoat and a grin. He is one of the few fortunate individuals who ride to school every day in McCunney's Red Scourge. Peaches claims Logic as his favorite class, probably because he derives such pleasure from his friendly discussions with Fr. Knapp. When asked about this, he replied: "Violence is the last resort of a mental incompetent," obviously referring to his complete calm when dealing with a question of sanity. His argumentative ability should stand him in good stead in a Pre-Law course at Georgetown and afterwards as a Rhodes Scholar. Uh, good luck, Bob.

EUGENE BERNARD PARSON
212 Comrie Drive
Villanova, Pennsylvania

Waldron sent Bernie Parson to Malvern and try as she might, Malvern could not send him back. Summer sees him at 9th Street in Ocean City (where else, Mr. Stretch?). He has no favorite saying, but "Oh, do you know Bernie?" seems to be the favorite saying of many O.C. girls. Mr. Campolongo and Fr. Knapp are his favorite teachers, and 135 football and Varsity Baseball, his favorite sports. His robin's-egg blue Sprite with 283 cubes should distinguish him at Miami or Villanova.

ANTHONY DOMINIC PILOTTI
 108 North Pottstown Pike
 Exton, Pennsylvania

Tony is the leader of the hottest car ring in Exton. He used to like Thunderbirds, but it seems that the back fender of a certain blue and gray jeep and the center of the parking lot (the emergency brake had a tendency to slip and the car rolled to the center of the lot) also had an attraction for the black and white T-Bird. The avid champions of General Motors cars persuaded him to switch his allegiance from Fords to Chevies, a sorry choice. During the summer and on week-ends, he can be found working (?) in his father's restaurant. Tony's plans for the future include a Business course at St. Joseph's College and a 160 H.P. motorcycle.

JOSÉ MANUEL PUMARADA
10-B Fairfield Lane
Strafford, Pennsylvania

At last the world has the answer to a question it has been asking since the beginning of time: "What makes Hubie-Burgers so extra-delicious?" Well, that "what" is Jose Manuel Pumarada—(Enthuse, world). Jose's culinary talents were developed at Santa Teresita school in Puerto Rico. Since his arrival, he has more than left his mark on Malvern, the parking lot, the Main Line, and Hobson's pool table. Jose says that P.O.D. is his favorite class and this should stand him in good stead for Liberal Arts at Villanova.

REGINO ROBAINAS
 Calle 96 3a y 5a, #315
 Miramar, Havana, Cuba

A semi-loyal member of the Cap 'n' Bonnet players, Reggie came to Malvern in 1961 from Loyola Military Academy. Collingswood, New Jersey, seems to occupy his summer months, and while there, he engages in some enviable relaxation. But come September, back to the halls of Malvern he comes. Perhaps this senior has felt Father Knapp's influence more than any other member of the class of '64, not only because Logic is his favorite class, but most of all because his favorite expression is "Goldwater." Come fall, he will leave Father Knapp, Goldwater and Malvern, for a La Salle Finance course.

BARRY YOUNG SATTELS
733 Edmonds Avenue
Drexel Hill, Pennsylvania

The "Yellow Canary" is the transportation of many distinguished Malvern gentlemen, but none so dignified as Barry Sattels. He wears the most tasteful ties on campus, probably given to him as a small token of esteem from the O.C. construction company or as a secret weapon for Trig class. (This explains the glazed look in Mr. Murray's eyes.) "The Barr" will take Liberal Arts at God knows where, but in his two years at Malvern perhaps his best preparation for God-knows-where University will be his favorite expression: "Hey, did you do that . . . homework last night?"

JOHN MICHAEL SHEA
12 Medbury Road
Chester, Pennsylvania

Little John, a four-year day-hop from some remote, isolated region of the Keystone State, shows up every day wide awake and ready for an argument in Religion class. Despite the fun he seems to have there, Crash claims that Typing was his favorite class (he's just kidding, of course). The undisputed ruler of the Springfield bus, John is always ready to organize a football pool at the drop of a coin. Summer finds him at Llangollen Hills Swim Club where he works as either manager or clerk (whenever he takes time off from fishing trips to O.C.). Next year will find John dividing his time between Ocean City and Villanova, where he will take Engineering. Good luck, Villanova.

WILLIAM LAWRENCE SLACK
11 Llanberris Road
Bala-Cynwyd, Pennsylvania

Larry "Lushwell" Slack is probably most famous for his coat, which he claims to have shot while on a nature hike in Skunk Hollow. The glazed expression on his face is due to a state of shock, caused by his daily trips through the Twilight Zone in "Bayboo," the 8th wonder of the automotive world. An avid Track man, he keeps in shape by pushing Murphy's yellow miracle out of the ditches it has a habit of getting stuck in on snowy mornings (rainy ones, too). His psyche is forever marred by being torn away from his favorite class, Soph English, and Mr. C., but we think that he will recover.

WILLIAM GUSTAV STRAUB
664 Paddock Road
Havertown, Pennsylvania

About the only thing that can be said for "Canal-Head" Straub is that he likes just about everything he sees, as borne out by his favorite expression, "I like it, I like it!" Tennis seems to be Willie's best sport, but stage crew for the musical in the spring occupies a large part of his time. (Fr. Gilligan's, too.) Although he was once caught offering incense to a statue of Elvis ("Bossa-nova Baby") Presley, this will probably not prevent this Malvernian from beachcombing at Longport and entering Villanova for Civil Engineering.

ROBERT WILLIAM WOOD
2912 Rising Sun Road
Ardmore, Pennsylvania

St. Dennis and Ardmore, Pa., take the credit/blame (pick one) for Malvern's flashiest senior. Another survivor of daily jaunts in the *Red Scourge*, Bob also survived three years of loyal attendance at the rifle range, only to turn his attention from bullets to flashbulbs in senior year. It used to be that at least the target was safe from his aim, but now nothing on campus is safe from the roving eye of the *Malvernian* camera. Flash claims German as his favorite class, where he enjoys discussing literature with the "Scheintod." Summer finds him either in Ocean City or Europe. When asked why he plans to take Engineering at Villanova next year, he replied without hesitation, "Head engine room OK!"

Junior Class History

JUNIOR RED CLASS OFFICERS: Kirk Layton, Joseph
niewicz, Robert Riley, John Donoghue

One might ask while examining the yearly achievements of the other three classes what the juniors have accomplished. In all truthfulness, the answer must be modest and much like this.

We will not pretend to deceive anyone by saying we all met our scholastic potential. Our competitive exams taken during the past year show an overall superiority, yet none of us consider this sufficient. We thank the members of the faculty who have consistently tried to bring us to a more productive attitude throughout the past year. It has not been wasted, we promise you. A number, a graph, a percentile do not express the most important progress in a student. How can colleges ever represent the memories and the ideas formed in our junior year?

Athletically, we gave an ample measure of support to each team open to junior participation. Perhaps our greatest boast in this field comes in the strong junior unit that stabilized the Varsity Swimming team and contributed effectively to its most successful season.

We also demonstrated our school spirit by participating in all extracurricular activities. A maintaining support was readily given to the Squires by the junior class. There is no room to express what our visits to St. Edmond's have meant to members of the class.

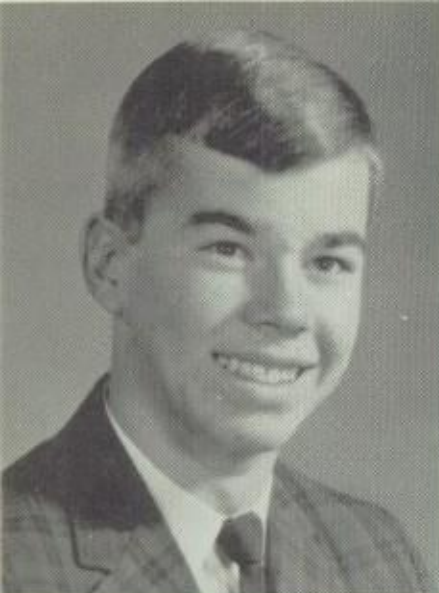

However, even now it would appear that more could possibly have been contributed by our class than was the case. All we can say is we have tried, we have learned, and we will attempt perfection once more in our final year.

Sophomore Class History

SOPHOMORE RED CLASS OFFICERS: Richard Abbott, Alfred D'Angelo, Thomas Cashore, Kenneth DeLuca

Having completed a most successful freshman year, we arrived last September to face a year of great transition. Sophomore year presented us with new problems, new challenges, and new opportunities. Nevertheless, we overcame the barriers admirably. More difficult studies served not to hinder us, but rather to broaden our horizons greatly. Through their consistent efforts, our scholars managed to maintain an ample representation on the Headmaster's honor roll. All progressed steadily toward the realization of their college aspirations.

On the athletic side, a great number of our classmates carved out solid places for themselves. All of the teams looked hopefully to the future in view of their strong sophomore nuclei.

In all, we experienced a year of tremendous growth, physically, mentally, and socially. Although enriching and rewarding, sophomore year is over now. We have ahead of us a long road to travel, but have only hope and enthusiasm regarding the future as a result of our recently completed second year at Malvern.

Freshman Class History

FRESHMAN RED CLASS OFFICERS: David Robert, Joseph Sullivan, Donald Mancini, Barry Ruht

As did those before us, we entered Malvern in the fall of last year with great apprehension, eager to prove ourselves, yet fearful that we might fail.

As the opportunities provided, we achieved honors scholastically, with several of the members of our class acquiring places on the Headmaster's honor roll and also in the National Honor Society. Perhaps our greatest scholastic achievement came when the results of the St. Joseph's Latin exam were announced and showed not only the advanced achievements of a few freshman Latin scholars, but also the superiority of Malvern's faculty in this department.

Our day at Malvern did not end at 2:45, however. Nearly all of us secured positions on one or another of the athletic teams and achieved perfect seasons in both 120-pound football and Freshman basketball. For those less athletically inclined, ample opportunity was given through extracurricular activities to show their worth.

We feel we demonstrated our class spirit quite well by supporting enthusiastically nearly all of the Squires' activities, especially the magazine drive.

Three years remain before us, years in which we hope to prove our worth even more to our faculty and fellow students. We promise that we will strive to make these coming years as fruitful and beneficial as the first.

FRESHMAN WHITE CLASS OFFICERS: Edward Capone, Francis Esposito, William Franklin, Richard McMahon

ATHLETICS: BROTHERHOOD

WILLIAM A. SHEA STADIUM

STATUE IN MAIN HALL OF 1964-1965 WORLD'S FAIR

Cross Country: Even Steven Went

SENIOR Pete Carlino sets the pace for Malvern at the West Chester Frosh meet.

CROSS COUNTRY RECORD		
Malvern		Opponents
22	Bishop Shanahan	33
33	Episcopal Academy	26
15	Monsignor Bonner	40
36	Williamson Trade School	19
15	Bishop McDevitt	40
15	Hill School	48
40	Friends Select	15
32	Episcopal Academy	27
21	West Chester State Frosh	37
44	Church Farm	19

CROSS COUNTRY TEAM: first row, left to right—Rich Baranzano, Ed Capone, Ned Bartlett, John Ball, Bob Sirhal, Jim Romano, Carl Bagby (capt.), Pete Carlino (co-capt.) second row, left to right—Paul Zak (manager), Bob Marion, Ed Dooley, Rene Schlag, Al Kreischer, Gene Ritti, Bob Wood, Dave Holveck, Tom Cashore, Bob Mahoney, Jim Elliot, Jack Kilkenney, Jim Brogan, Terry Walsh, Coach Bob Farley

This year's record of five wins and five losses in dual meets told only part of the story. The rest was recorded in the grueling practices and lower times. No member of the team will forget the aches and pains of the sprints or the five-mile hill marathons, and Coach Farley is quick to remind you that the times turned in on the various courses were better than those set last year.

The harriers started off with good potential, especially among underclassmen, and met some of the toughest competition in their history.

he Season.

OFFICIAL TIMER, Mr. Nelson Soeder, discusses the idiosyncrasies of our course with the Church Farm coach.

TAKE YOUR MARKS: Runners ready, muscles tensed, the West Chester-Malvern race is about to begin.

JUNIOR Bob Mahoney reaches the finish at West Chester with time to spare.

SOPHOMORE Ed Dooley, at West Chester, takes time out for a session of *The Pony*.

Episcopal Academy, the only Inter-Ac school with which Malvern competes in Cross Country, bowed twice, once on our course, once on theirs. But it was a different story with the Catholic League schools and Hill School. The defeats were not as overwhelming as the scores indicate, however. While the opponents got their five best in before Malvern's five (where it counts score-wise), Malvern took a clean sweep of the next six or seven places. Malvern's Cross Country team is always proud and its members fiercely independent (mostly in mode of dress), and it's for sure that they'll be back running the hills hard, breaking records, and upholding Malvern's reputation as a powerhouse of track men.

Football: Good Sportsmanship on the

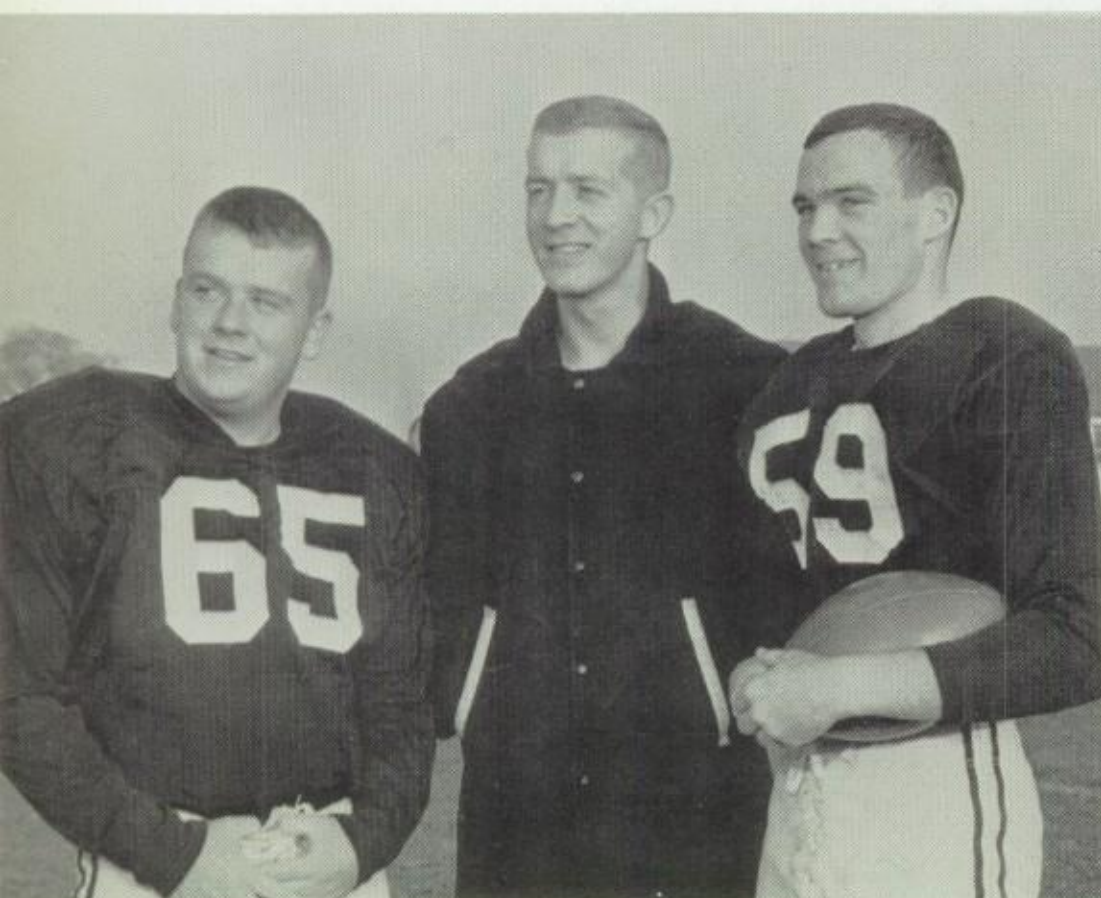

VARSITY FOOTBALL TEAM: first row left to right—Rick Carlino, Fran Dunphy, Jack Ryan, Joe Gontram, Norm McMahon, Cy Collins, Vinney Farren, Fred Reimann, Art McDonald; second row left to right—Randy Phelan (manager), Dave Miller, Mike Warner, John Sirhal, Jerry McMahon, Mike Byrne (co-capt.), John Hilferty (co-capt.), Jim Mahoney, Paul Miraglia, Rick Abbott, Bob Galamaga; third row left to right—Mike Beebe, Phil Murphy, Bob Riley, Denny Drake, Joe Baniewicz, Owen Mulhern, Charlie Cook, Jack McGarvey, Jack McGarry, Coach Don McBride; fourth row left to right—Jim LePera, Paul Miller, John McDonnell, Larry Cabrelli, Tom Creato, Bill Wright, Tom Halloran, Ed Maguire, Fran Auch

LABOR DAY marked the beginning of the '63 football year at Malvern. Under its new head coach, Don McBride, the inexperienced Friar team completed a strenuous pre-season preparation at camp, where such innovations as the split end and "I" formation were introduced.

Making up what they lacked in natural ability, experience, and size, with a 'fierce' competitive spirit and grim determination, the outmanned Friars opened their season against Mastbaum of the Public League with a hard-fought 13-0 victory. All Inter-Ac Larry Cabrelli was the big gun on offense as Phil Murphy stole the show on defense.

In the next game, the Malvern team traveled to the matchbox field of a tough Tower Hill team, where numerous miscues proved to be the downfall of the Friars. The terrific line play of the two Inter-ac choices, Jim Mahoney and Bob Riley, failed to prevent the Delawarrians from scoring a 26-6 win in a game highlighted by fumbles, interceptions, and penalties.

The inconsistency of the offense carried over to the next game. Under the lights at St. Matthew's, the Saints overpowered Malvern to the tune of 19-2. The Friars were in scoring position seven times during the first half, but failed to score, and even the rugged

CAPTAINS COURAGEOUS: Co-captain Byrne (left), Coach McBride, and Co-captain Hilferty

Gridiron

defense of linebackers Bill Wright, Co-captain John Hilferty, and halfback Jack McGarvey failed to stop the keyed-up Conshy team.

On their next outing, the fine running of Joe Gontram and the pass-catching abilities of Tom Creato enabled the Friars to score an 8-0 triumph over Germantown Academy. The final score gave no true indication as to how completely the Friar team outmanned and dominated the Patriots of G.A.

The fifth game, one of the hardest fought games of this year, brought Malvern its third loss of the current campaign. Despite the power running of fullback Paul Miraglia, stellar performance of Co-captain Mike Byrne, and all-around milestone play of the Friars, the Haverford School team administered a 20-0 setback. Injuries to key players took the steam out of the Malvern attack and the Friars were not able to hit paydirt on any sustained drives.

Probably the wettest, messiest game of the year was played at Episcopal Academy, where both teams fought to a 0-0 stalemate. An airtight defensive unit led by Owen Mulhern consistently stifled the opposition as the talented offensive unit, guided by Gerry McMahon, matched the Churchmen at every move. The Inter-ac champ, Penn Charter, was Malvern's next opponent. The highly touted Charter team administered a 26-0 shellacking to the Friars, who had beaten the Quakers for three consecutive years.

Adding insult to injury, the Malvern team was handed a close 6-0 setback by Chestnut Hill. Determination, drive, and good, basic football proved to be the order of the day as the Friars tried hopelessly to avenge last year's defeat. But the lack of a scoring punch cost the Friars their fifth loss of the season.

Injuries had much to do with the poor showing of

this year. Jack McGarvey, Larry Cabrelli, Jerry McMahon, Paul Miraglia, Phil Murphy, John Hilferty, Tom Creato, and others led the list of the walking wounded.

However, it was a season of strict and genuine determination, and a year of promise. Many underclassmen received the experience necessary to make a contender of next year's club. This year must be put down as a "building year," and next season, great things can be expected of the Malvern Prep Football team.

FORMER WEIGHT TEAM football members are what Varsity football teams are made of. If the material on the weight teams this year is any indication, our Varsity team should be a rough opponent in the years to come.

An undefeated season bears witness to the success of our 1963 120-pound team, and while the same cannot be said of the 135's, still, one can rest assured that the potential for a storming Varsity is nevertheless there.

Swimming: Undefeated Is the Word

AN UNDEFEATED SEASON and Inter-ac championship give ample testimony to the success of the 1963-1964 swimming season. Under the direction of Coach Lawrence Palacio, the Malvern mermen broke nearly every school and pool record. Led by Tom Johnson, Mike Fitzmaurice and Mike Buckley, Malvern compiled a dual meet record of 13-0 for its first undefeated season.

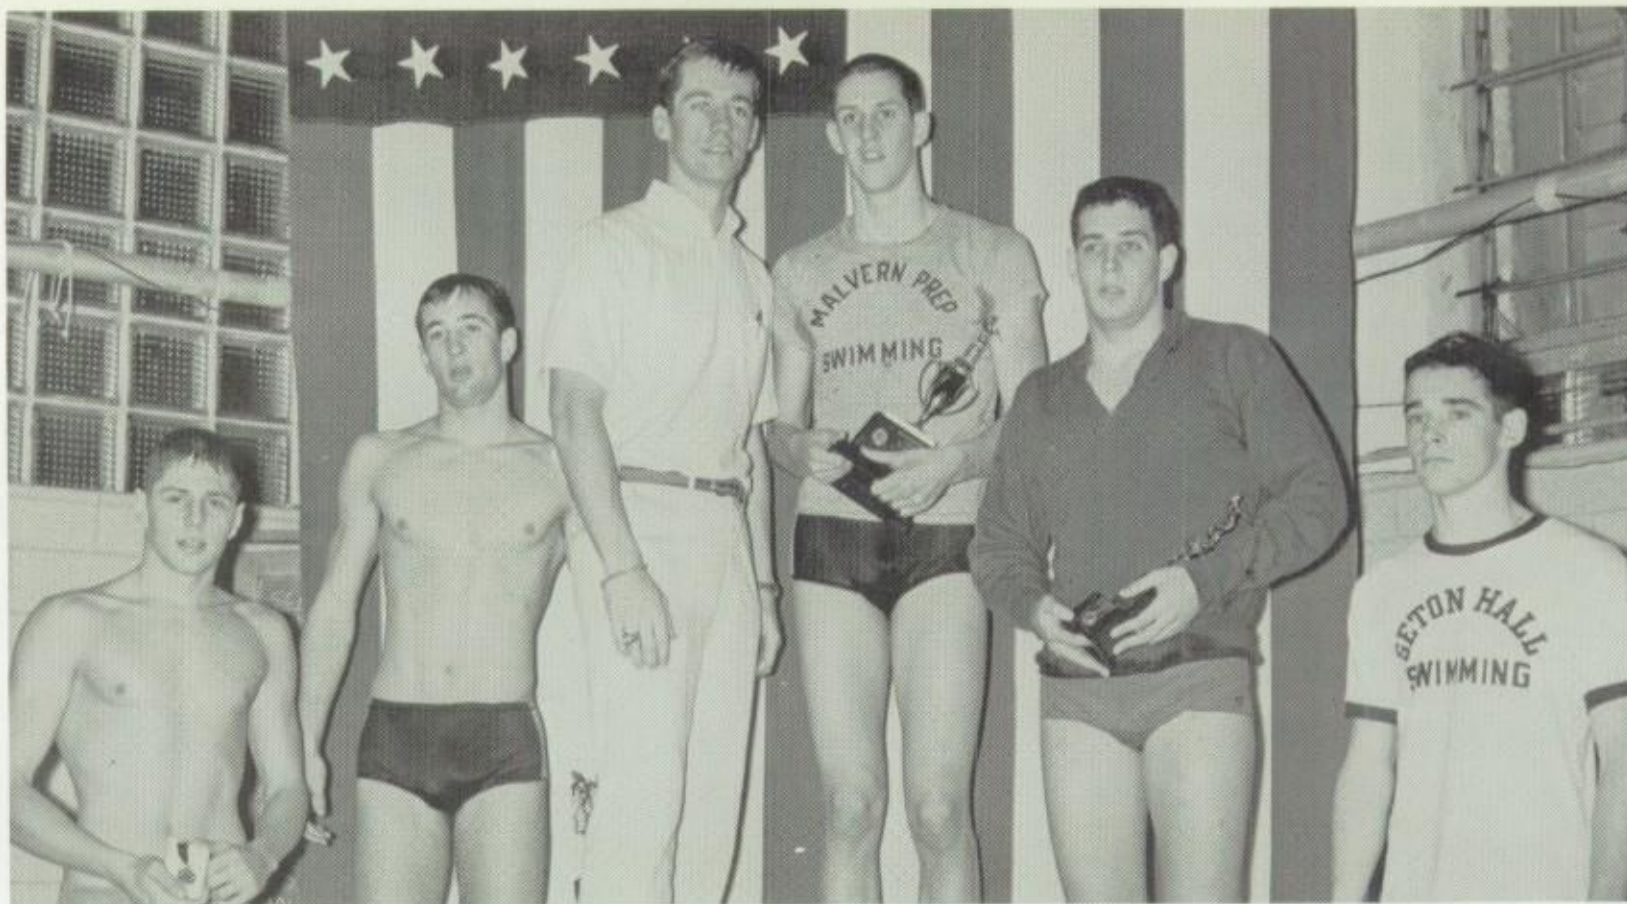

The season opened with a 60-35 victory over Hill School, always a top prep school contender. With this win underfoot, the Friars were unstoppable. They rolled over the Villanova Frosh 63-32 and St. Joseph Prep 80-15. Then Malvern followed with a double in its first tri-meet by defeating St. Mary's of Connecticut and Mount St. Joseph, 80-44-43. Next to fall was Mount Pleasant of Baltimore by a score of 72-23. On January 30, Malvern Prep set a precedent in winning the first Inter-ac swimming meet ever held. This was done by beating Episcopal Academy 68-27. Malvern then traveled to Annapolis to meet the Naval Acad-

DETERMINED LOOK from a coach with a team determined to win.

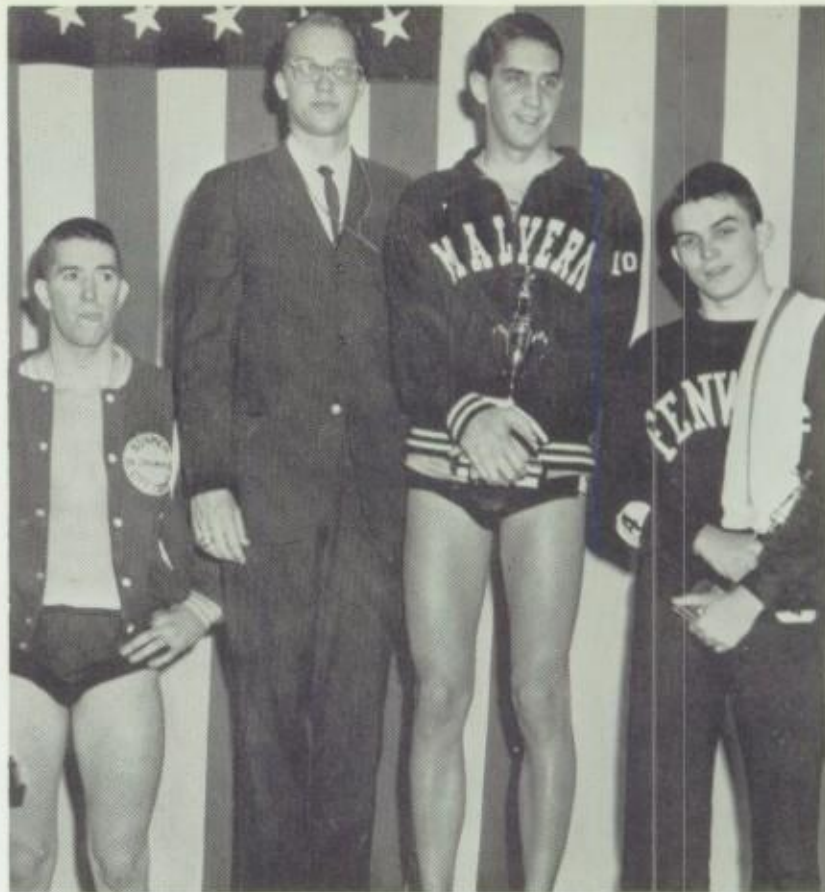

emy Plebes. In order to keep their record unblemished, the Friars had to win. Paced by Tom Johnson, Mike Fitzmaurice and Mike Buckley, the Friars pulled through to win 55-40. Next, another Inter-ac school fell to the Friars as they beat Haverford 64-31 at Haverford. West Chester fell 79-16 and then Valley Forge Military Academy 80-15. Malvern finished its dual meet season by walloping the last two Inter-ac schools, Germantown Academy 79-16 and Penn Charter 70-25, making Malvern undefeated Inter-ac champions.

Highlighting this successful season was Malvern's victory at Colgate's National Prep School Championships. This win made the Friars a good contender for the top prep school in the nation. At Villanova's National Catholic Swimming and Diving Championships, it was no disgrace for Malvern to finish second behind Bishop Fenwick High School of Chicago. Although Malvern scored more firsts, Fenwick had tremendous depth which forced the Friars to settle for a second place.

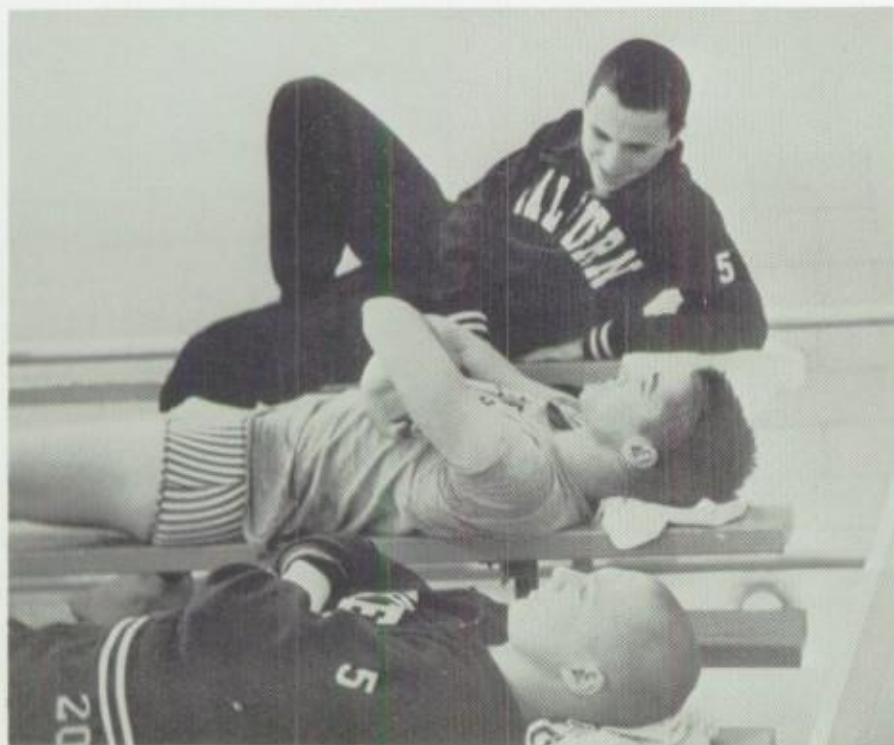

This year's squad boasted five national Prep School records. Tom Johnson, a sixteen-year-old junior, holds two of these: 2:02.6 in the 200-yard Individual Medley, and 3:54.5 in the 400-yard Freestyle. Mike Fitz-

maurice set a record and tied one at the National Catholics. His 0:48.5 in the 100-yard Freestyle and 1:49.4 in the 200-yard Freestyle were good enough for easy victories. Mike Buckley holds the fifth record in the 100-yard Breaststroke. Mike, who could not get his time below 1:08 in the first few meets of the season, suddenly caught fire and turned in a time of 1:03.9, establishing the new record. This year's squad has nine possible All-American candidates. They are Tom Johnson, Mike Fitzmaurice, Mike Buckley, Paul Hornsleth, Ros Geils, Tom McGrath, Ed Ritti, Bill Coakley and Mark McKee.

Due to the outstanding potential present on the team, namely, Geils, McGrath, Coakley, McKee, next year should bring similar results. In any event, Malvern Prep's swimming team is going to be something to keep an eye on in the very near future.

BUCKLEY ON TOP in the 100 yard Breaststroke event at the National Catholics, with a time of 1:04.3.

A question perhaps, as Mike Fitzmaurice finishes with a first in the 200 yard Freestyle event during the Germantown meet.

Basketball: Friars Finish Third

VARSITY BASKETBALL TEAM: first row left to right—Fran Dunphy, Ed Biggans, Curt Layton, Jack Donoghue, Tony McDermott, Bob Mahoney, Jim Elliot; second row left to right—Coach Dan Dougherty.

Malvern's hustling Friars made Coach Dan Dougherty's third season at Malvern a highly successful one. Superior coaching, a team filled with desire, and a good competitive spirit enabled the varsity hoopsters to compile an overall season record of fifteen wins and seven losses.

The Friars opened their season with four consecutive wins over Williamson Trade School, St. Matthew, P.S.D. and Archmere Academy. Next, the undefeated squad met a strong Lansdale Catholic team (Suburban Catholic League Champions), which managed to squeeze by and give Malvern its first defeat. The Friar dribblers split the

LARRY LEAPS for two.

CHAOS ON COURT as Cabrelli (#34) tries to decide whose ball it is.

UP FOR GRABS: Biggans (#14) of Malvern tries for the ball.

register an 8-4 tally and finish third, only half a game behind Episcopal, and two games behind Penn Charter. The team scored double victories over Chestnut Hill, Germantown Academy, and Friends Episcopal. The Friar squad dropped two to arch-rival Penn Charter (by a one-point difference in the first game and two points in the second), and tripped over Haverford and Episcopal for one loss to each.

Throughout the entire season, senior Larry Cabrelli and P. G. Tom Keaveny provided Malvern fans with an exciting brand of basketball, and crowned their efforts by being chosen for the first team all-Inter-ac basketball squad. Junior Ed Biggans, another Malvern starter, along with Jack Donoghue and Bob Mahoney, received honorable mention on the all-Inter-ac team, and subs Bob O'Donnell, Fran Dunphy, Jim Elliot, B. J. Clark, Kirk Layton, Tony McDermott, and Stan Jaworowski performed well whenever called upon for duty. Certainly this year's fine team cannot be prevented from entering another successful page to Malvern basketball history.

ALL INTER-AC: left to right Larry Cabrelli, Ed Biggans (honorable mention), Tom Keaveny; missing Bob Mahoney, Jack Donoghue (both honorable mention).

Junior Basketball

JUNIOR VARSITY BASKETBALL: first row left to right—Bill Holsten, Joe Walters, Jim Mingey, Steve Conway, Fred D'Angelo, John McGarry; second row left to right—Ray Warman (manager), Tom Naylor, Paul Miller, John McDonnell, Larry Russell, Fran Auch, Coach Farley

NINE RELIABLE sophomores and two freshmen formed the nucleus of this year's Junior Varsity Basketball team, coached by Mr. Robert Farley. The Friar courtmen warmed up for league play by taking six out of seven non-league games, losing only to St. Matthew's team. Then the hoopsters proceeded in victory in all twelve Inter-ac contests, capturing the league championship, and ending the season with a very impressive 18-1 overall record.

TEAM PLAY was the key to the undefeated season of the Freshman Basketball team, coached by Mr. Don McBride. Well balanced in every department, this team, sporting victories over ten other teams, averaged close to 40 points per game. Truly, a team united can and did this year go all the way.

FRESHMAN BASKETBALL TEAM: first row left to right—Barry Ruht, Ed Caterson, Mike Corso, Hank Mahoney, Dave Robert, Dan McMahon (manager); second row left to right—Coach Don McBride, Kevin Dougherty, Tom Himes, Al Wolfington, Drew O'Keefe, Don Mancini, Bob Lewis, Dick McMahon (manager)

Wrestling: Good Record Spells Promise

DESPITE INEXPERIENCE and considerable weight disadvantages, Malvern's Varsity Wrestling team, under the leadership of Coach Emlyn Jones, posted one of the finest records in the history of Malvern. Constant practice, sacrifice, and desire enabled the Friar matmen to garner their share of victories and establish a respectable 8-8-1 season log. The tie with Friends Select, and losses to Valley Forge, Germantown Friends, Tower Hill, and Penn Charter were not far from becoming victories as the Friar grapplers put a scare into more than one opponent.

Jack McGarvey

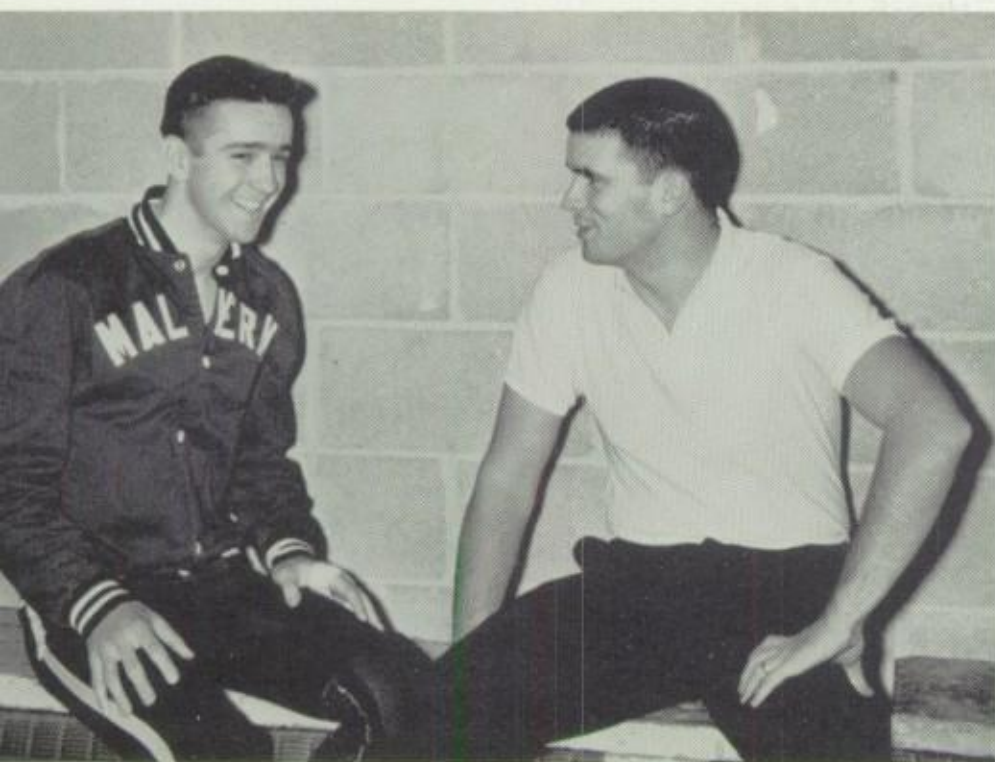

Jay Forster

Bob DeLuca

Bill Wright

Scorers
in
the
Episcopal
Tournament

STRATEGY PLANNING can be fun(ny) as is illustrated by Coach Jones and Captain McGarvey.

P. G., Jay Forster, seniors Jack McGarvey, Bill Wright, and Mike Byrne, and sophomore Bob DeLuca were consistent top scorers on the squad.

In the Episcopal Tournament, Malvern placed sixth in a field of sixteen teams as Bob DeLuca captured the 125-pound championship. Jay Forster (180) scored a second, and Bill Wright (154) and Jack McGarvey (133) placed fourth and fifth respectively.

This year's team was rich in underclassmen who showed promise and good potential. With a little experience and hard work, the Friars could be one of the best teams in the area in the not-too-distant future.

JUNIOR VARSITY WRESTLING: first row left to right—Mace Mazzoni, Randy Phelan, Perry De Marco, Frank Pelosi; second row left to right—Pete Constantini, Tom Halloran, Frank Sala, Tom Sullivan.

THE BENCH watches tensely . . . as Jack McGarvey tires to fell an able opponent.

Track: Open Meets Tell th

Coach Farley seems to be able to crank out an outstanding team every season, and this year's team was no exception. The team piled up an impressive record, not so much in the won-lost column, but in the minds and hearts of all participants and all who saw them compete. The 4-4 record in dual meet competition does not show the tremendous effort made, but the victories in various open meets do.

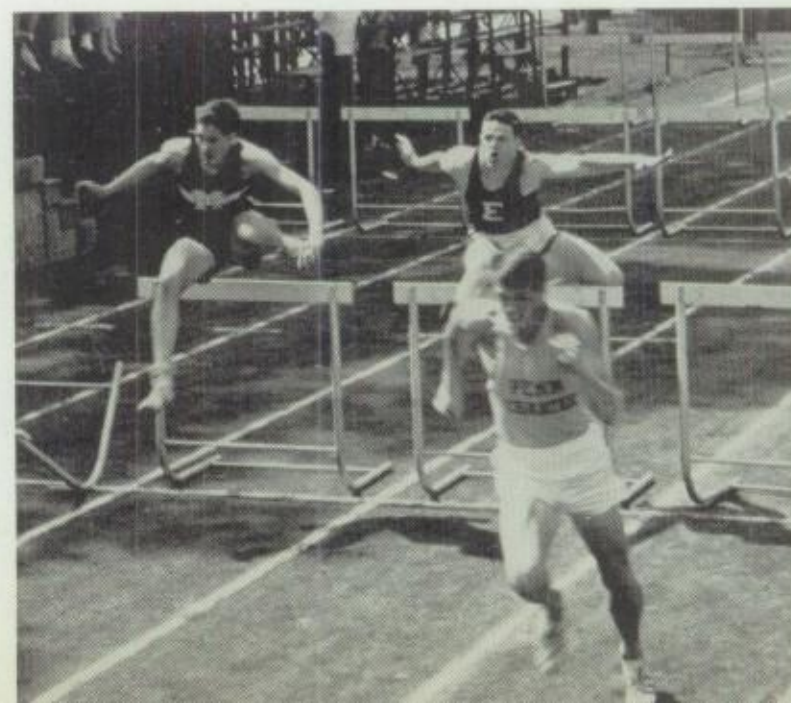

Left to right: Kreischer (third place), Gondek (second), and Bagby (first) take off in the quarter mile against Haverford.

VARSITY AND FRESHMAN TRACK TEAMS: First row, left to right—Dan McMahon (F), Jack Donoghue, Stan Gondek, Bob DeLuca, Cy Collins, Jim Elliott, Mike Barry (F), John Graham, Mike Bryne (co-captain), Carl Bagby (co-captain); second row, left to right—Ed Capone (F), Terry Palen, Bob Castner, Rich McCunney, Paul Miraglia, Al Kreischer, Bill Wright, Frank Trani, Coach, Mr. Nelson Soeder (Freshman team); third row, left to right—Varsity Coaches Mr. Jack Fawcett and Mr. Bob Farley, Don Scioli (F), Ted Moser (F), Mike Gondek (F), George Moesel, Larry Russel, Mike Irey, Rich McMahon (F), Gene Ritti, Glen Patterson, Bob Marion, Bob Sirhal, Rene Schlag, John Pavlick, Bill Combs; fourth row, left to right—Tom Pavlick (F), Bob Mahoney, Tom Cashore, Tom Reidy, Mark Wilson, Pat Driscoll, Mike Warner, Walt Siderio, Carl DeYenno.

In the Knights of Columbus Relays, Malvern captured the Distance Medley Relay and the Two Mile Relay, the relay team composed of Cy Collins, Gene Ritti, Ed Dooley and Rene Schlag. Al Kreischer, Jim Elliott, Paul Miraglia and Carl Bagby seized the One Mile Relay.

Malvern took third place at the Church Farm Invitational with Richard McCunney placing fifth in the hurdles, Carl Bagby third in the 440, Rene Schlag second in the mile, Jack Donoghue second in broad jump and Pete Hand fifth in javelin.

MCCUNNEY TAKES THIRD in this heat of the Inter-ac Championships.

Story

At the Spike Shoe Meet (held at the University of Pennsylvania) Malvern placed first, with Jim Elliott finishing second in the 880, Al Kreischer and Stan Gondek finishing tied for third in the 440 and the Mile Relay team finishing first.

Malvern also finished third (Class B) in the State Championships, with a first for Bob Mahoney in the high jump and a first also for the Mile Relay team, anchored by Gene Ritti.

Outstanding this season were Stan Gondek, chosen most valuable player, Carl Bagby, Jim Elliott, Rene Schlag, Bob Mahoney and of course coaches Farley and Fawcett. Due to the sophomore and junior action this year, the '65 Interac Championship is certainly not too much to hope for.

West Chester, 58½; Hill School 39½; Malvern 15.

WINTER TRACK, instituted for all those brave, devoted, and mentally unbalanced individuals who enjoy the art of running, brought its share of laurels to Malvern this year. The high point of this fine season came when the Malvern tracksters again won the Inter-ac Mile Relay at Convention Hall. This is the third straight year that the Friars have captured this event. The team of Gondek, Bagby, Elliott, and Zintak, was a considerable winner throughout the winter meets. Because of this, these men proved themselves among the finest runners in the area. Individuals Ritter, Trani, Sirhal, and Carlino, were constant point makers for the squad.

Baseball. Those Who Lose Today May Win Tomorrow"

— Miguel De Cervantes

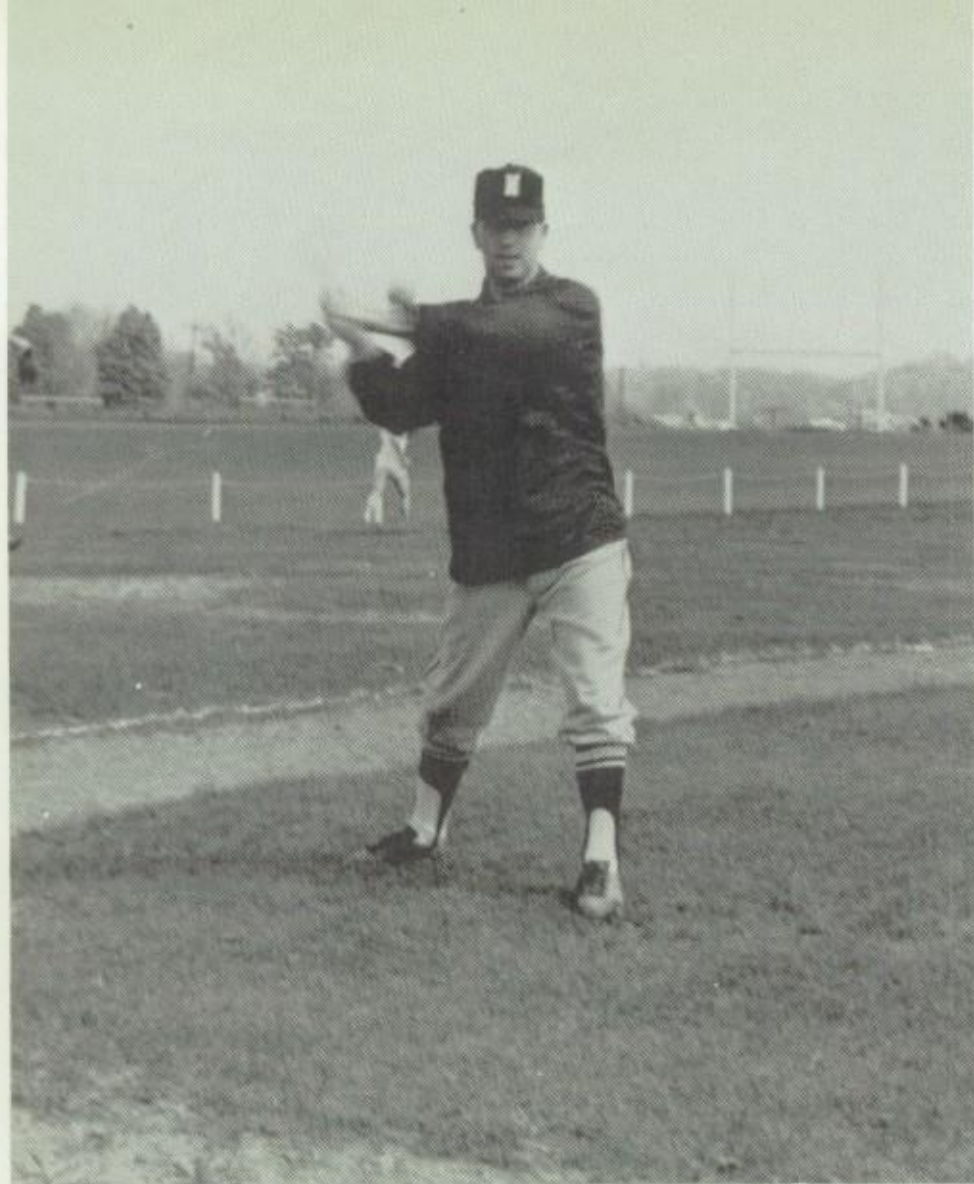

Varsity Baseball Team: first row left to right—Mr. Dan Dougherty (coach), John Siverd, John Sirhal, Joe Freitag, Gerry McMahon, George Bender, Mike Mazzoni, Jack McGarvey; second row left to right—Mike Buckley, Mike Horrigan, Bob O'Donnell, Paul Miller, John McDonnell, John Murphy, John Falco, John Kilkenny (manager).

BESET BY RAIN, mud, and curtailing pre-season practices, the 1964 Varsity Baseball team, under the guidance of Coach Dougherty, finished with a dismal 4-9 record. Erratic fielding, hitting, and pitching caused the downfall of the Blue and White in early games this year, as Malvern finished fifth in the Inter-ac league behind pacesetter Penn Charter (eleventh straight championship).

The team lacked depth in the pitching department and the failure to hold a lead once obtained cost the Friar baseballers a victory in at least five games during the season. However, as the season progressed, the all-around play became much better, but the late start prevented the squad from posting a good season log. With better performances earlier in the year the Friars would have been capable of an 8-5 record, or maybe even better, but such are the ways of fate.

JUNIOR JOHN (LOPPY) SIRHAL shows his form against Haverford batters.

COACH DOUGHERTY puts the Friar infield through pre-game warm-up.

INFIELDER George Bender gets some practice before the game.

SENIOR JACK MCGARVEY is on the starting end of a perfectly well-executed suicide squeeze against Haverford School.

P. G. John Siverd was a well-fitted addition to the squad as he led the team in the hitting department and was given the most valuable player award. Senior Jack McGarvey, "Malvern's terror on the basepaths," again helped to lead the defensive team from his centerfield position. Third baseman Mike Buckley, of swimming fame, was the only other upperclassman on the squad.

THE BENCH watches tensely as the Friar hitters try to regain the lead over Episcopal Academy.

ANOTHER RUN SCORES as Gerry McMahon crosses home plate.

games and had participated in three scrimmages.

The season opened with a defeat by Haverford. Anxious to make up for this loss, the boys worked hard and defeated Germantown Friends. After being outmanned by experienced West Chester State Frosh, Malvern's Soccer team fought back with a tie and two consecutive wins to finish out the schedule. The winning season was certainly quite successful and speaks well for the coaching of Mr. Viet and the hard work of the entire team.

DAVOR URSIC displays one technique of hitting the ball.

Golf: Watch the Birdie

UNDER THE EXPERT COACHING of Mr. Douglas Murray, the Golf team set a new school record—two wins in one year. Haverford was the first to fall. Episcopal Academy also came under the clubs of the Blue and White duffers.

There were losses, however, perhaps none so great as one with which the Friars closed the season—that to Episcopal. Although several upperclassmen have left the ranks of the golfing elite, the core of underclassmen should carry Malvern on to more bountiful seasons.

UNDER THE SPREADING DOGWOOD TREE, Coach Murray and Captain Hobson pretend to discuss Golf.

GOLF TEAM: first row left to right—Rich Kelly, Frank Santasiero, Steve Bushey, Mr. Douglas Murray, Coach, second row left to right—Tom Himes, Jim Kelly, Chip Hoffner, Abe Hobson, Captain.

GOLF RECORD

Malvern	Opponents

Malvernian: Book of the Year

MALVERNIAN STAFF: first row left to right— Jack McGarvey, Paul Zak (Editor-in-Chief), Bob Wood, Jim Brown, second row left to right—Chuck Van Horn, John Shea, Jim Mahoney, third row left to right—Ned Bartlett, Glen Waychunas, fourth row—Tom Cashore, Charlie Cook, fifth row—Mr. Daniel Cashman, Moderator.

ORGANIZATION AND STAFF HARMONY are key factors in any literary endeavor. These two elements were, for the most part, present in the production of the 1964 MALVERNIAN. Usually the Editor-in-Chief finds himself doing all the work, whether it be composing write-ups, typing, or doing layout work. Such was not the case this year, however. An excellent staff of eleven men, with the assistance of our Moderator, Mr. Daniel Cashman, put the book together. Their main purpose was to provide a worthy chronicle for the students of Malvern Preparatory School. Telegrams, tape, ink, reams of paper, headaches, and sore fingers played key roles this year as they do every year, but we feel that any trouble gone to was well worth it, and we hope that you feel the same.

THE THINKER: Ned Bartlett, Literary Advisor, ponders yearbook policy.

Paul Zak, Editor-in-Chief, works out the particulars of the 1964 theme.

PAUL ZAK—the man responsible for this idiocy.

JACK McGARVEY, Sports Editor, best dressed athlete on campus.

Senior Editorial Staff

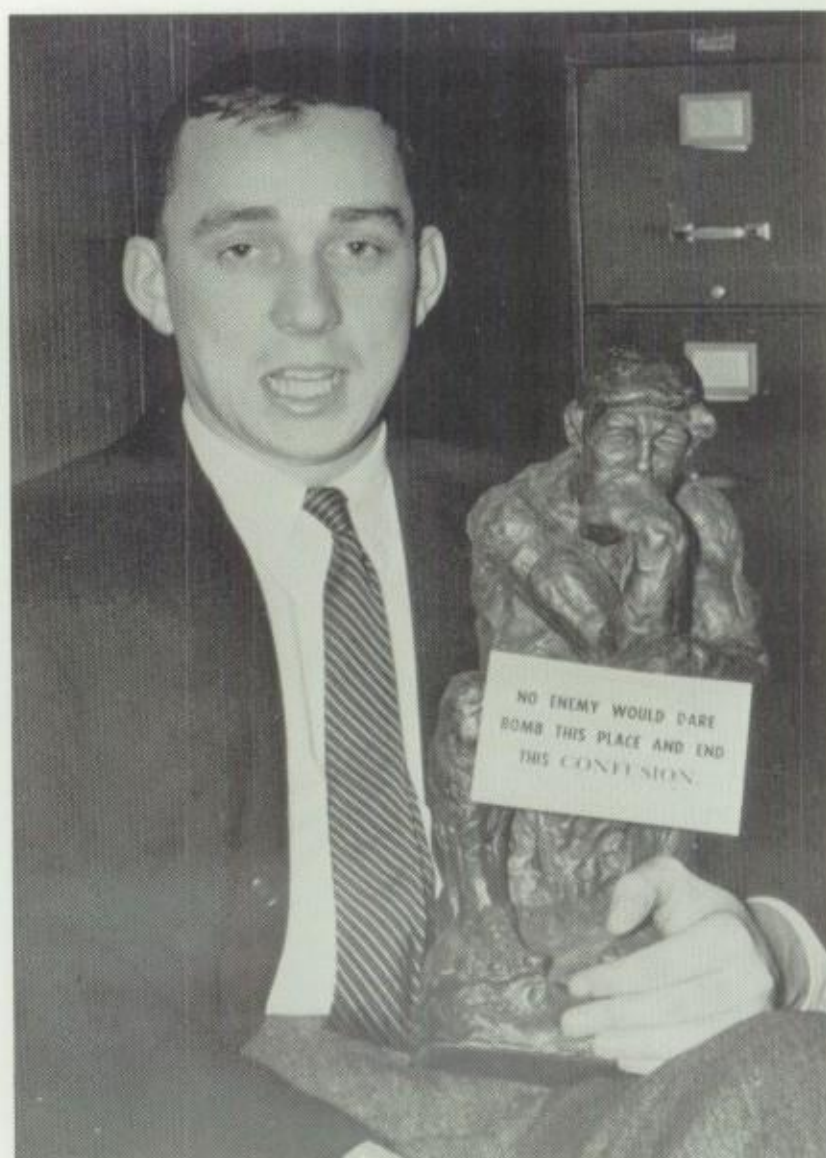

THE MAD PHOTOGRAPHER, Bob Wood prepares to blind an unwary bystander.

THE POISON PEN of Jim Brown was responsible for senior cartoons among other things.

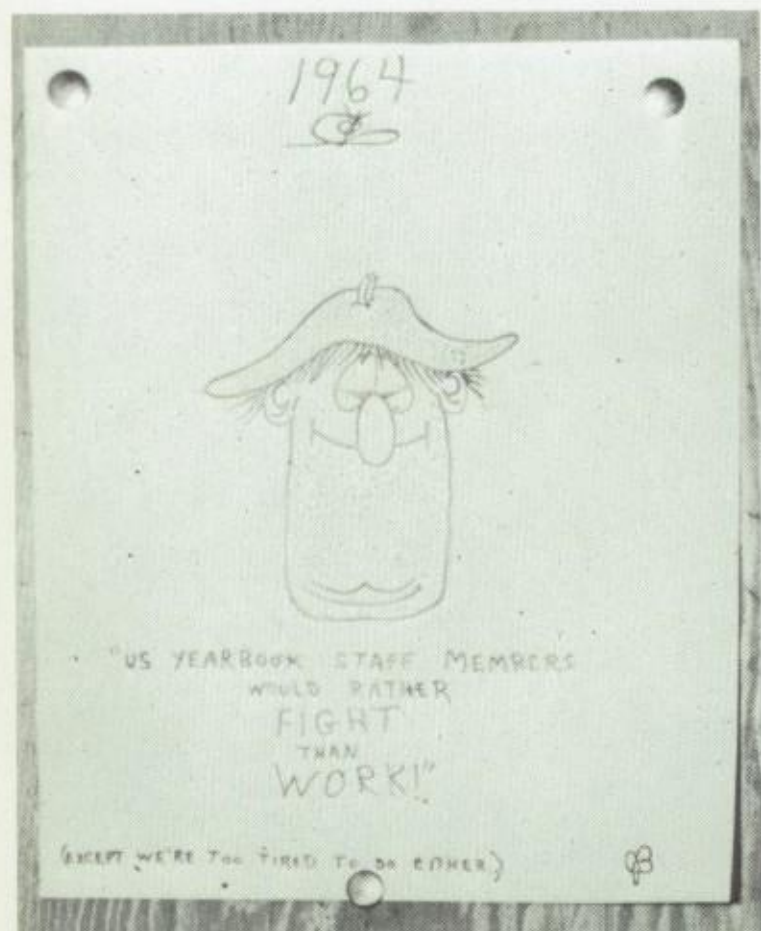

EDITOR Zak helps typist John Shea with page of copy, as Moderator Cashman looks on.

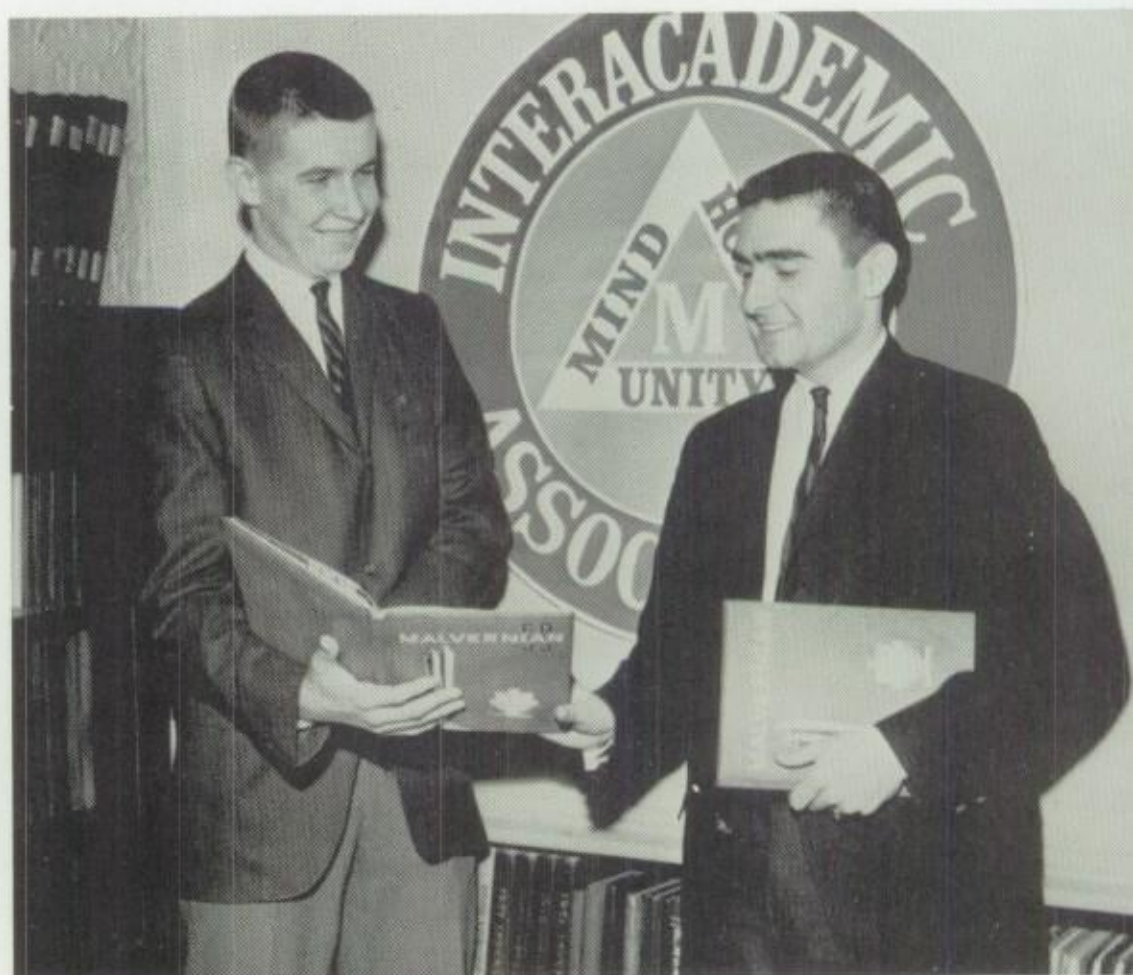

"What else can I say?"

Moderator, Motto, Staff

MOTTO of the 1964 MALVERNIAN

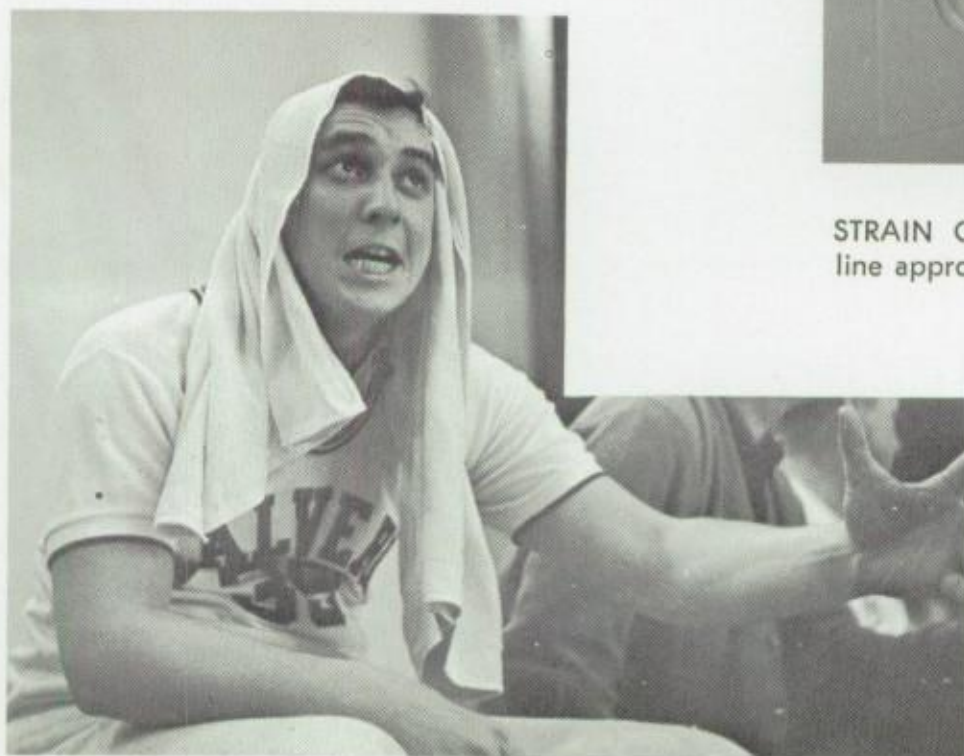

UNDERCLASSMAN EDITOR Charlie Cook and Literary Advisor Bartlett search for ideas in an older copy of the MALVERNIAN.

TYPIST Van Horn and Literary Advisor Bartlett, working on copy for final deadline.

STRAIN OF YEARBOOK WORK shows up as deadline approaches.

"Paul, please!!, I'd rather read them myself!"

MALVERNIAN STAFF preparing to throw mad artist headfirst into snow-bank.

"Wood, you wouldn't dare print this . . . would you?"

The Renaissance

THE RENAISSANCE STAFF: first row left to right—J. McGarvey, R. McCunney, B. Wright, T. Createo, P. Kelly, T. Balshi (Editor-in-Chief), second row left to right—M. Bleeg, L. Brandolini, D. Robert, T. Cashore, P. Hand, A. Hobson, F. Murphy, third row left to right—S. Beall, J. Sirhal, T. Carson, R. Warman, D. Miller, R. Castner, J. Favorite, fourth row left to right—B. Mihalik, P. Neeson, R. Wood, P. Zak, F. Trani, R. Galczenski.

THE NEWSPAPER at Malvern nearly always seems to start off with high hopes and much talk, and then fizzle out by the end of the year. At last, we have a welcome and much needed break in this undesirable pattern. The *Renaissance*, Malvern's latest news endeavor, appeared in September and published excellent weekly accounts of campus activity. As the year progressed, the paper appeared every two weeks, then three, and finally monthly. It was always, however, a fine display of effort. On May 26, the *Renaissance* staff came out with a fabulous coverage of the school year, something the likes of which will probably never be seen again. Editor-in-Chief, Tom Balshi, Moderator Daniel Machon and the entire staff have credit coming to them for a job well done. Our only hope is that next year's editorial staff is as able and as willing as was this year's.

EDITORIAL STAFF: clockwise—Mike Bleeg, Frank Murphy, Bob Palmer, Rich McCunney, Jack McGarvey, Tom Balshi (Editor-in-Chief).

STAFF AT WORK during one of the football games this year. They are, left to right, Rich Nicholas, Rich McCunney, Mike Bleeg, Larry Slack, Bob Palmer, and Chuck VanHorn.

The Friar's Lantern: Potpourri

UNDER THE LEADERSHIP of Mr. Daniel Cashman (of yearbook fame), the *Friar's Lantern* was resurrected after a year in the literary grave. The able assistance of the sophomore class enabled the production of this fine literary effort. Contributing articles several in foreign languages, and all in different literary styles, came from members of all classes. The publication departments of Malvern Prep are pleased to have the *Friar's Lantern* back on the literary scene once again.

THE FRIAR'S LANTERN STAFF: sitting, left to right—Norman McMahon, Gerald Howe, Rene Schlag, Gene Ritti, Brian Hickey, Kevin Cullen, Standing, left to right—Charles Connolly, Bill Coakley, Tom Cashore, Peter Neeson, Ray Warman, Tim Carson, Al Pizzica, Fred D'Angelo, faculty moderator, Mr. Cashman.

Father-Son Banquet: Strictly Stag

THE BEGINNING of a wonderful evening, February 6, 1964.

ALL WHO ATTENDED can vouch for the success of the Father-Son Banquet this year. Some highlights of this thoroughly enjoyable evening were the comedy team, Fisher and Marx, the singer, Miss Lydia O'Connor, and our guest speaker, Colonel Jonathan Ladd, who delivered an excellent talk on Viet Nam. Just as much of a hit, although hardly a surprise, was the recipient of the Loyalty Award, given to the individual who has done the most for Malvern. This student was swimmer, Mike Buckley, who, by the way, blushes quite nicely.

Everyone welcomed the return of the "surprise box," an earmark of the affair missing last year. The entire evening was a tribute to the fine committee in charge, and to outdo the 1964 Father-Son Banquet in the future, will take much clever planning and effort.

BERNIE CLARK, as did all others attending, receives his "surprise box."

THE MIKE PEDECIN GROUP furnished the music.

AWARDS are presented to Mike Buckley (Loyalty Award) and Mr. Robert Kelly (Father Award) by Father Gilligan and Colonel Ladd.

FATHER FRANCIS GILLIGAN addresses those attending the banquet.

THE FATHERS AND SONS who made the evening a success.

SENIOR Paul Miraglia makes a discovery.

The dinner?—delicious

COLONEL LADD speaking to the group concerning Viet Nam.

Alumni and Award Day: Family Fun

FUN FOR THE ALUMNUS . . .

PLENTY of food and drink for all, and music no less.

FUN FOR THE FUTURE ALUMNUS . . .

FUN FOR THOSE ABOUT TO BECOME ALUMNI

AWARD WINNERS and guests: first row left to right—Stan Gondek, Tom Boyer, Jack McGarvey, Larry Cabrelli, John Siverd, Bob DeLuca, Carl Bagby, Mark McKee; second row left to right—Tom Johnson, Mike Fitzmaurice, Mike Buckley, Mr. Marshall Halpen, Mr. Paul Hornsleth, Mr. Lawrence Palacio, Mr. Jack Kraft, Paul Hornsleth, Tom Keaveny, Pete Hand.

SATURDAY, MAY 23, saw the first annual Alumni and Award Day at Malvern. Games for the children, relaxation for adults, and fun for all comprised the order of the day. After a leisurely dinner and not too leisurely jam session in the auditorium, athletic awards were presented to many students. Besides the most valuable player awards, the Mike Rooney Awards were given in recognition of one hundred percent effort in a particular sport. The three recipients of the Rooney awards were, Pete Hand (Tennis, Soccer, Track), Jack McGarvey (Football, Wrestling), and Carl Bagby (Track). Benediction in the Chapel of Our Lady of Good Counsel put the finishing touches on a day that will be remembered for some time to come.

Squires Society: Many Facets

THE SQUIRES SOCIETY

EXECUTIVE COMMITTEE of the Society: *left to right*—Fran Dunphy, Bob Riley, Ed Ritti (Treasurer), Fr. William Garland, O.S.A. (Moderator), Mike Buckley (President).

TYPICAL MEETING, Mike Buckley, President, presiding.

IN THIS, THE FIRST YEAR OF EXISTENCE, the Squires Society proved to be an organization, the likes of which Malvern has never seen before. Its program combined the three most important areas of life; the spiritual, the intellectual, and the social.

The Spiritual: Works of Mercy Halloween Party at

St. Edmond's Home for Crippled Children

WE AMUSED THE CHILDREN as best we could. Senior Jim Mahoney was telling a story to this youngster, when he was interrupted by the photographer.

EARLY IN THE EVENING, we came bearing gifts for the children.

JUNIOR Ed Maguire and disguised friend help to convey the Halloween spirit.

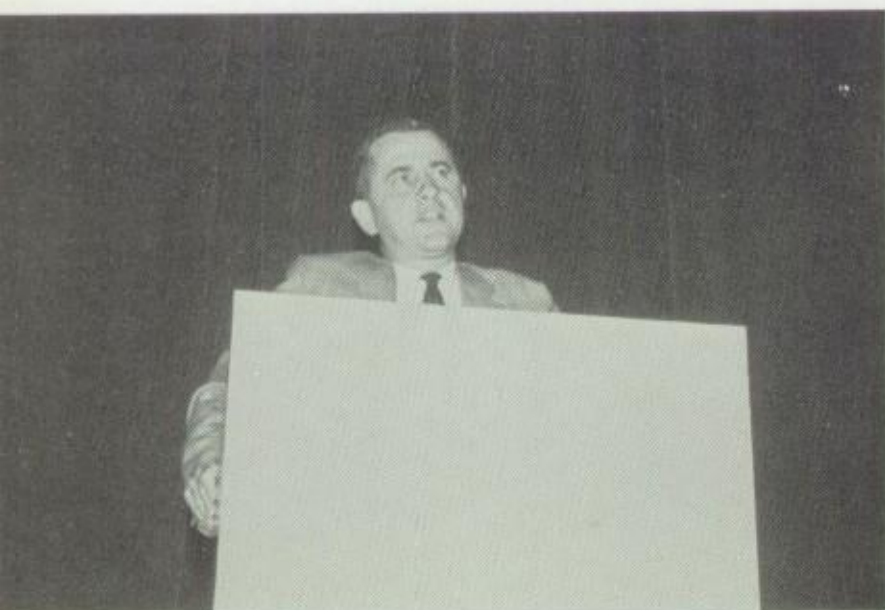

Christmas Party . . .

SANTA CLAUS (J. Shea) was the hit of the party, naturally.

THROUGH THE SQUIRES SOCIETY, the Malvern student was given the opportunity to help the underprivileged, the handicapped, and the orphaned. The Society sponsored several charitable parties, such as those pictured in this section, parties for the crippled, the destitute. Engaging in such activity gives one not only a feeling of accomplishment, but even more, a feeling of downright pride.

The Intellectual: Lecture Series

THE FIRST lecture by Mr. William Kearns of *Time* Magazine, about his Arctic adventure (November 22, 1963).

MR. DAVID OLSLOVEE of the General Motors Corporation explains a basic jet turbine in our March 6 lecture.

MR. JOSEPH ARONSON gave us quite a session of folk song origin and audience participation (December 6, 1963).

CARL BAGBY reads Christmas cards with two small admirers.

For the Cathedral Parish Children

PAUL ZAK experiences the difficulty of trying to communicate with a child who speaks more Spanish than English, much to the amusement of the others.

CHUCK VAN HORN realizes that a gyrocompass in motion (within the suitcase) has a mind of its own (G.M. lecture—March 6).

SPECIAL AGENT E. Huyett Magee discusses the F.B.I. with our group during the May 8 lecture.

INTELLECTUAL STIMULATION was provided through the Squires lecture series, arranged by Father William Garland and the student lecture coordinator (Paul Zak). The lectures varied in topic from an Arctic adventure to folk singing, from a General Motors display, to a report from the F.B.I. The series was thoroughly enjoyable and was definitely an asset to the program of the Society.

The Social: A Mixture

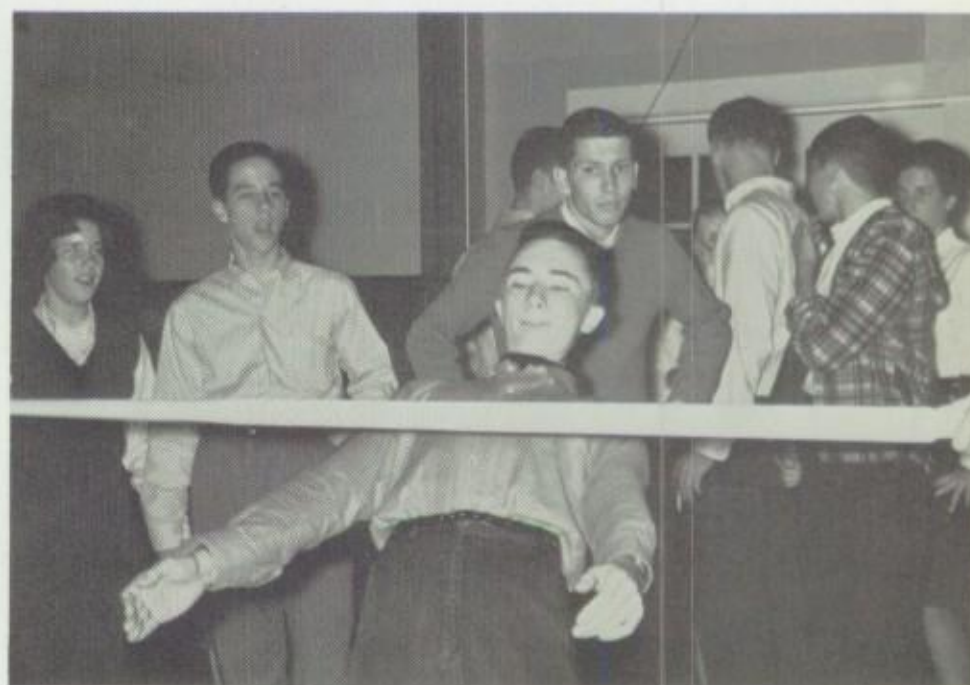

NINTH STREET BEACH at Malvern?? Certainly.

"... and then the Jap sniper jumped out of the tree at me." Rev. Mr. Cascioli listens intently as Mr. Sullivan discusses his Army days at the October dance.

Summer Revisited III October 26, 1963

EVEN THE SEDATE LET LOOSE at our dances as is evidenced by Jim Brown as he does the "Limbo."

That sounds pretty bad Mahoney.

Hootenanny I

April 25, 1964

The groups at the Hootenanny included Kevin and Clare pictured here . . .

The Greentrees . . .

The Coventry Lads . . .

THE FINALE a fitting finish for a fabulous evening.

Folk Singing at Its Best

and the Paddock Singers.

ONE HUNDRED PERCENT ENJOYMENT was in the minds of those who planned the social end of the Society—dance in October, and a hootenanny in April. This much needed aspect of any organization provided the right touch to round out the program of the Squires Society during this school year.

Dance Committee: . . . "One Fourth Inspiration,

DANCE COMMITTEE: You name them!!

MR. BASIL SULLIVAN and "the boys" came through again as usual, supplying the Malvern dances with elaborate decorations, showing much ingenuity and imagination. From the group picture (to the side), one would assume that the dance committee was composed entirely of clowns, but all clownish appearances gave way to sweat and effort whenever there was a dance to prepare for, and more important, whenever there was a dance to clean up after.

Three Fourths Perspiration."

Band: "Music Hath Charms . . ."

BAND: left to right—Tom Barry, Mike Barry, Joe Philips, Carl DeYenno, Bob Schaumann, Abe Hobson, Bob Masters, Vince Rado, Joe Carroll, Jim Claffey.

MUCH NEEDED at Malvern, and finally provided for was a school band. Many members of the student body, equipped with brass, woodwind, and percussion instruments, could be heard practicing in the auditorium during the entire year. The band did not play at any school functions this year, but a year of practice and preparation should bear golden fruit as far as future performance goes.

Junior Prom: A Ball at the Presidential

JUNIOR PROM COMMITTEE: seated, left to right—John Sirhal, Lew Brandolini, Bob Mahoney, Mr. Basil Sullivan (Moderator), Ted McDermott, Bob Riley; standing, left to right—Art McDonald, Ed Biggans.

HELD IN THE MADISON ROOM of the Presidential Apartments, the Junior Prom of 1964 proved to be as successful as those in the past. Under the careful planning of the committee and its debonair moderator, Mr. Basil Sullivan, the evening became a memorable one for all those present (Mr. Sullivan notwithstanding).

A FEW FINAL ADJUSTMENTS and Jim Brogan and date are ready.

"What was that you said about a lottery, Mr. Biggans?"

The Revellers strike up,

... and everything begins to swing

Left to right—Bill Donovan, Bill Murray, Bob O'Donnell, and Dan Woody find time to relax during a band break.

"There's a party at Y. A.'s after the prom. Pass it around."

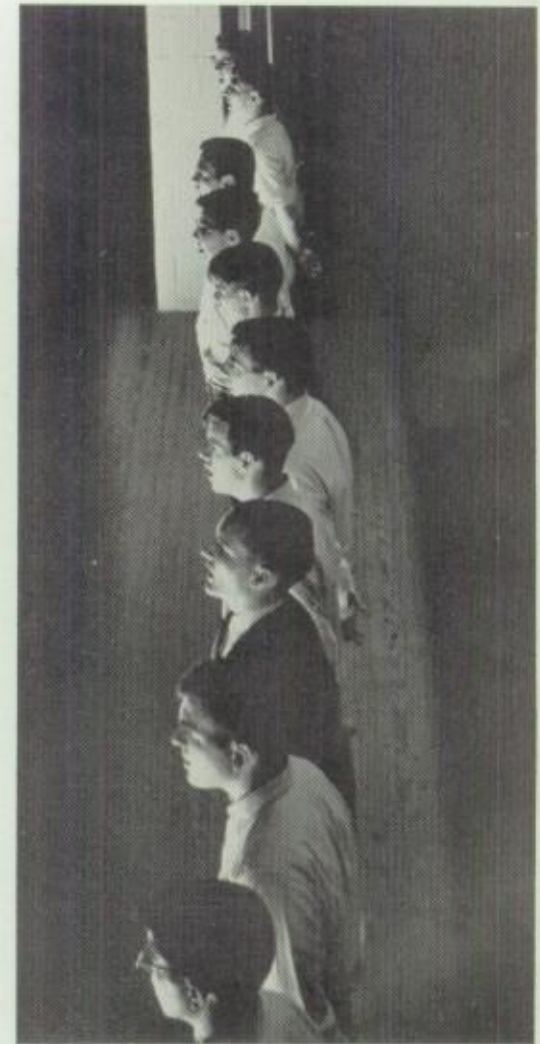

Musical: "No Business Like Show Business!"

Ellen Spietel (Annie Oakley) and Tom McCloskey (Frank Butler) singing "Falling in Love is Wonderful."

Father Gilligan gives specific directions in setting up a scene.

The boy's chorus practices "The Girl That I Marry."

Backstage confusion during rehearsal.

THIS YEAR'S CAP 'N' BONNET CAST, one of the largest in Malvern-Villa Maria history, put on a fast-moving, spirited version of Rogers and Hammerstein's *Annie Get Your Gun*. Annie Oakley, played by Ellen Speitel, whose resemblance to Ethel Merman was not pure coincidence, set the tone for the whole show with her vigorous acting and singing. Success was assured by the excellent performance of supporting actors Tom McCloskey as the indomitable Frank Butler, Chris "Buffalo Bill" Penn, Jim Larkin as Little Jake, and actress Lucy Dinda as the talkative Dolly Tate, along with the romantic capers of Ignacio Barroso (Tommy Keeler) and Francine Whalen (Winnie Tate).

Under the direction of choreographer Mrs. Anne Wilson, the dancers waltzed, cowboys promenaded, and clowns tumbled. Sister St. Eileen's talent and experience also did the cast good stead in preparing the singers for the innumerable choruses of such famous numbers as, "You Can't Get a Man With a Gun," "The Girl That I Marry," "I Got the Sun in the Morning," "Who Do You Love, I Hope?" and of course "There's No Business Like Show Business."

Even with a last minute change of lines because of Bernie "Charlie Davenport" McFadden's illness, a somewhat inaccessible upstairs balcony, and many fast costume changes, the cast put on a whiz-bang of a twentieth production for director Fr. Francis Gilligan.

SISTER ST. EILEEN, I.H.M., gives last minute instructions to Rosemarie Buonassisi, piano accompanist, as the rest of the cast awaits showtime.

MR. WILSON (John Shea) "Don't want no show folk" in his hotel and tells Buffalo Bill (Chris Penn) and his pack of carnival folk to get out.

Dancers conscientiously follow their routines.

"... But you just gotta learn me to read," Annie Oakley (Ellen Speitel) pleads with her k brother Little Jake (Jim Larkin).

SINGING CHORUS lends a hand in selling a pitch for William F. Cody's show.

DOLLY TATE (Lucy Dinda) relaxes backstage with stage-manager and members of the singing chorus.

CHIEF SITTING BULL (Danny O'Brien) and "Little Sure Shot," Annie Oakley.

ANNIE OAKLEY loses this shooting contest, but wins Frank Butler.

CLOWNS Ted McDermott and Bob Mahoney ham up the "circus dance" as Buffalo Bill (Chris Penn) and Tommy Keeler (Ignacio Barroso) look on.

THE WHOLE CAST joins in singing the hit numbers for the finale.

Musical Appreciation Group

Beethoven, Bach, Brahms now have a familiar ring in the ears of many Malvern students. Why? Due to the efforts of John Favorite, Albert Alejo, Mr. Basil Sullivan, and others, the Music Appreciation Group saw its initiation into the realm of Malvern extra-curricular activity this year. The organization followed a program of lectures about the lives of various composers, followed by a few select compositions from those great musicians. The meetings provided not only much enjoyment, but also great educational benefit for all those who attended.

Left to right—John Favorite, Paul Zak, Tom Creato, Mr. Basil Sullivan, Tom Farrell, Ned Bartlett, Keith Koehler, Tom Cashore.

Senior Prom: The Final Fling

SENIOR PROM COMMITTEE: clockwise—Tom Clifford, Rich Nicholas, Neil Borden, Mr. Basil Sullivan (Moderator), Rog Galczenski, Larry Slack.

MUSIC was furnished by the Eddie Bingham Orchestra.

MAY 15, the long awaited evening, saw nearly the entire senior class at the Bala Golf Club, for an evening of dining and dancing. Music, ranging from sedate Fox Trots to a Wild Mexican Hat dance, provided by the Eddie Bingham Orchestra, set the pace for the evening. At one o'clock, which came all too quickly, the prom drew to a close, as the rolling strains of "Moon Over Miami" filtered throughout the room. All then set out for home, supplied with memories to last for many weeks to come.

Chaperones:

Mr. and Mrs. Van Horn, Fr. Nolan, Mr. O'Brien, Mrs. McCloskey, Fr. Daley, Mrs. O'Brien, Mr. and Mrs. Borden, Mr. McCloskey.

Genny O'Brien (right), Mike Byrne, and their dates, illustrate the main activity at any prom.

"I rented the tux, why?"

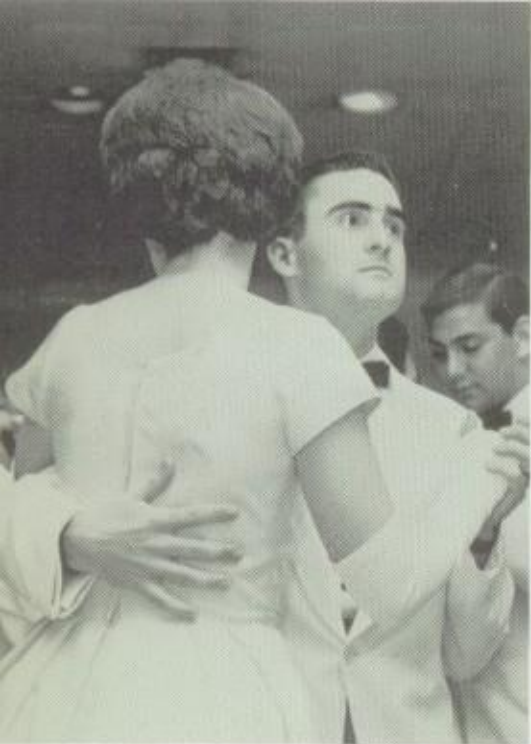

Bob Wood, John Shea, Paul Zak, Jim Brown MALVERNIAN staff, and their dates just happened to fall under the roving eye of the photographer.

A BRIEF REST is taken by Tony Pilotti (left), Pete Clemens, and their dates, while the musicians are off on a break.

WHEN THE MUSICIANS RETURN, dancing such as that shown by Tom Balshi and Joanne Kovacs, ensues.

POMP AND CIRCUMSTANCE. (Ned Bartlett and Rosemarie Foy).

Ed Ritti, Bernie Clark and company admire (?) Ritti's jacket. Nice coat, Ritti!

GET SET . . .

O: Mike Byrne, Owen Mulhern, Larry Cabrelli, Barry Sattels, and Joe Gontram
light up as they await the return of their dates.

Jack McGarvey and Maryanne Wyzykiewicz dance the final number, "Moon Over Miami."

. . . and home by two

Honor Society: Veritas et Scientia

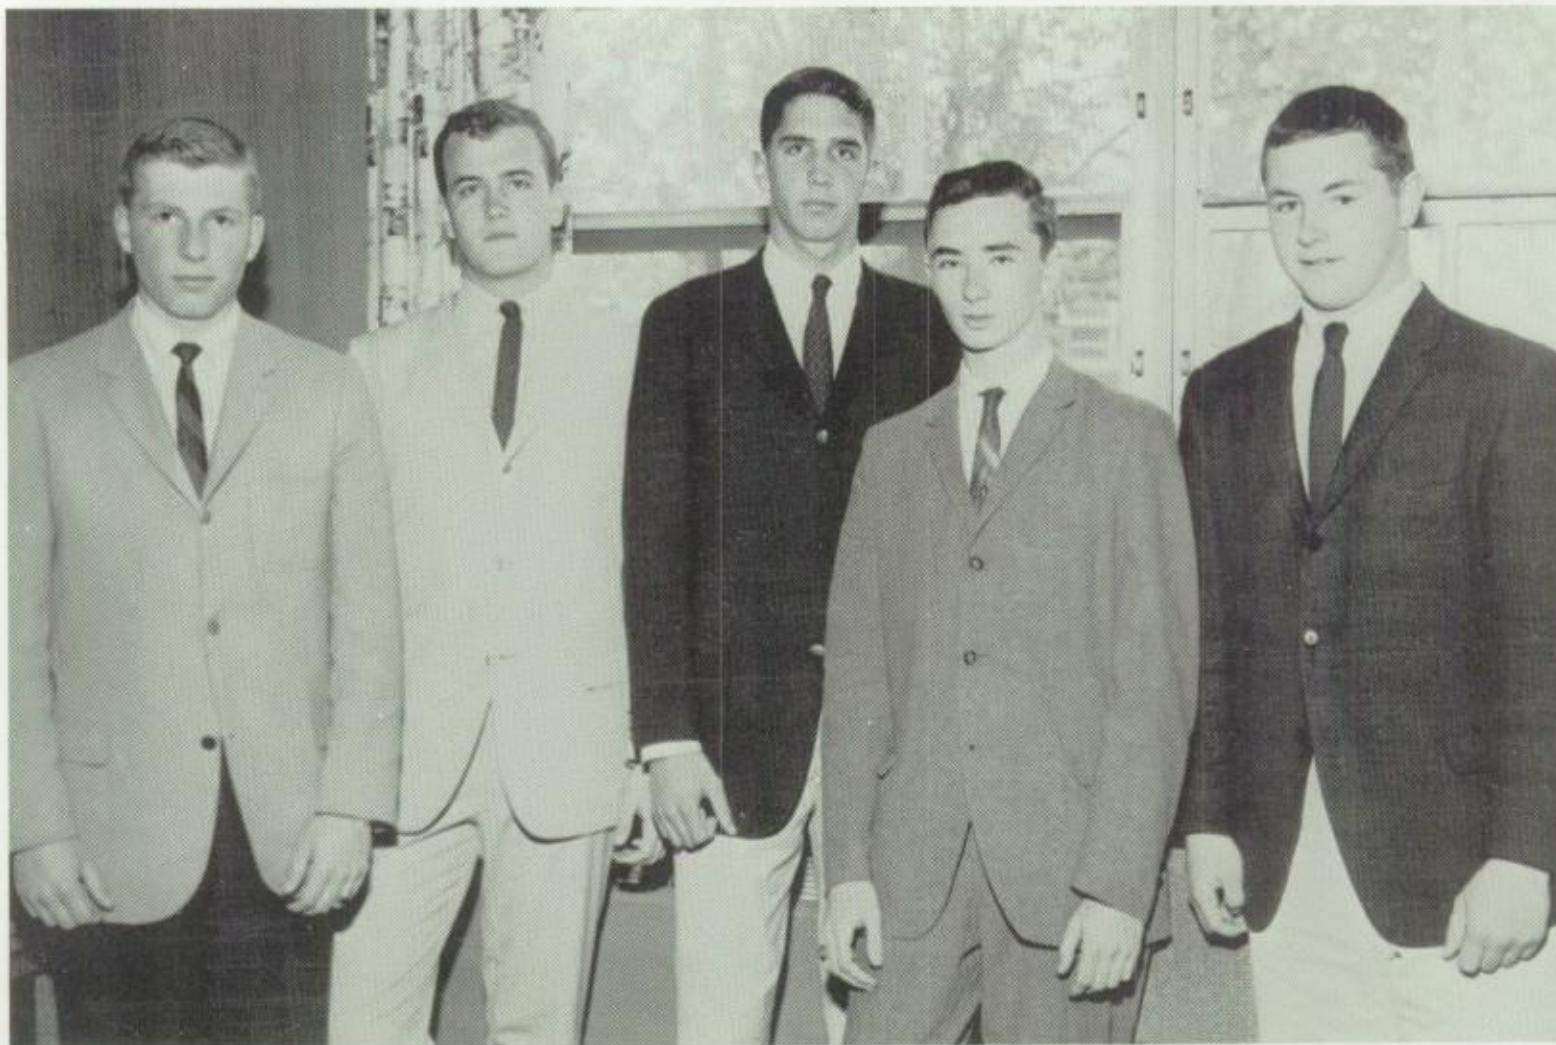

HONOR SOCIETY (FIRST HONORS): *first row left to right*: Bill Miller, Don Mancini, Dave Robert, Ray Warman, Ken DeLuca, Al Pizzica, *second row left to right*—Dan Woody, Bill Malorky, Charlie Cook, Paul Miller, Tom Cashore, Al D'Angelo, *third row left to right*—Jack McGarvey, Rich McCunney, Mike Buckley, John Shea, Jim Brown, Ned Bartlett, Paul Zak.

HONOR SOCIETY (SECOND HONORS): *first row left to right*—Jerry Seelaus, Dave Borden, Kevin Dougherty, Tom Pavlick, Barry Ruht, Joe Sullivan, Bob Lewis, Larry Alwine, *second row left to right*—Roger Grigg, Rich Kennedy, Bob Mihalik, Roswell Geils, Kevin McFadden, Jim Mahoney, Joe Baniewicz, John Pavlick.

MORE IMPORTANT than the extracurricular teams at Malvern, are its honor teams. Malvern can be proud of these groups, for she realizes that these are men of whom she can expect great things in the future.

Merit Scholars

MERIT SCHOLARS: *left to right*—T. Palen, R. Palmer, M. Buckley, J. Brown, J. Mahoney.

Scholars "After Hours":

T. Palen—Polevaulter

1964 SAW THE AWARDING of one Merit Scholarship and four Letters of Commendation to students of Malvern.

J. W. Brown received the Merit Scholarship, which he will apply at Villanova University in pursuit of his interest in the field of Physics. Our other scholars will follow their prospective careers at various well-known universities throughout the country.

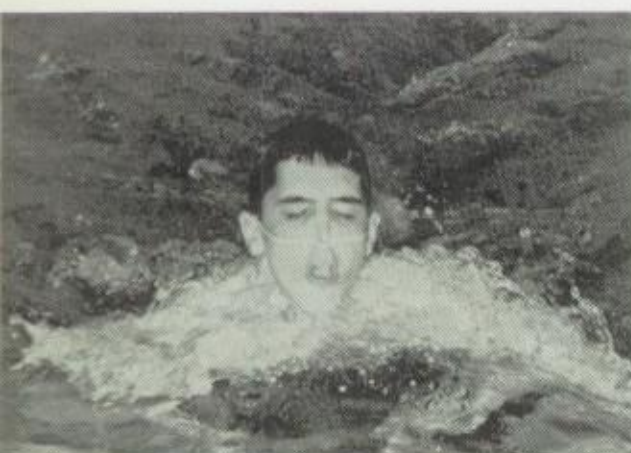

The outside interests of these men are wide and varied, extending beyond the sciences or classics, to the literary offices at school or to the playing field (see pictures to the sides).

Malvern is indeed proud of these men and of those whose work, although it has not placed them here, has nevertheless, given credit to this fine school.

J. Brown—Yearbook

R. Palmer—Newspaper

M. Buckley—Swimmer

J. Mahoney—Football

Graduation: The Threshold

ASTRAL FOUNTAIN

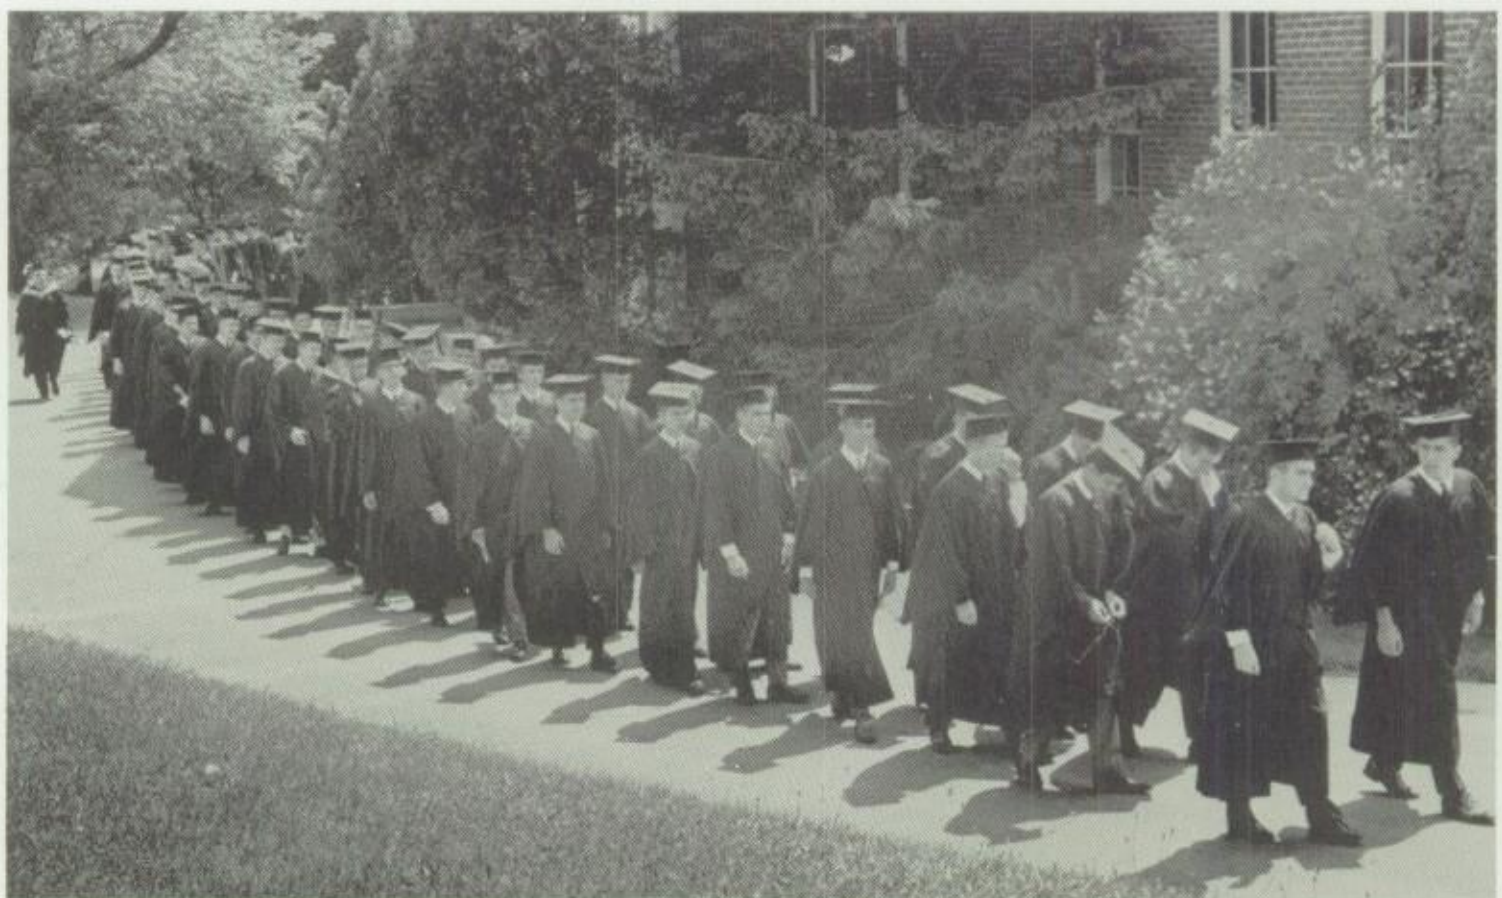

SWISS SKY RIDE

SOLAR FOUNTAIN

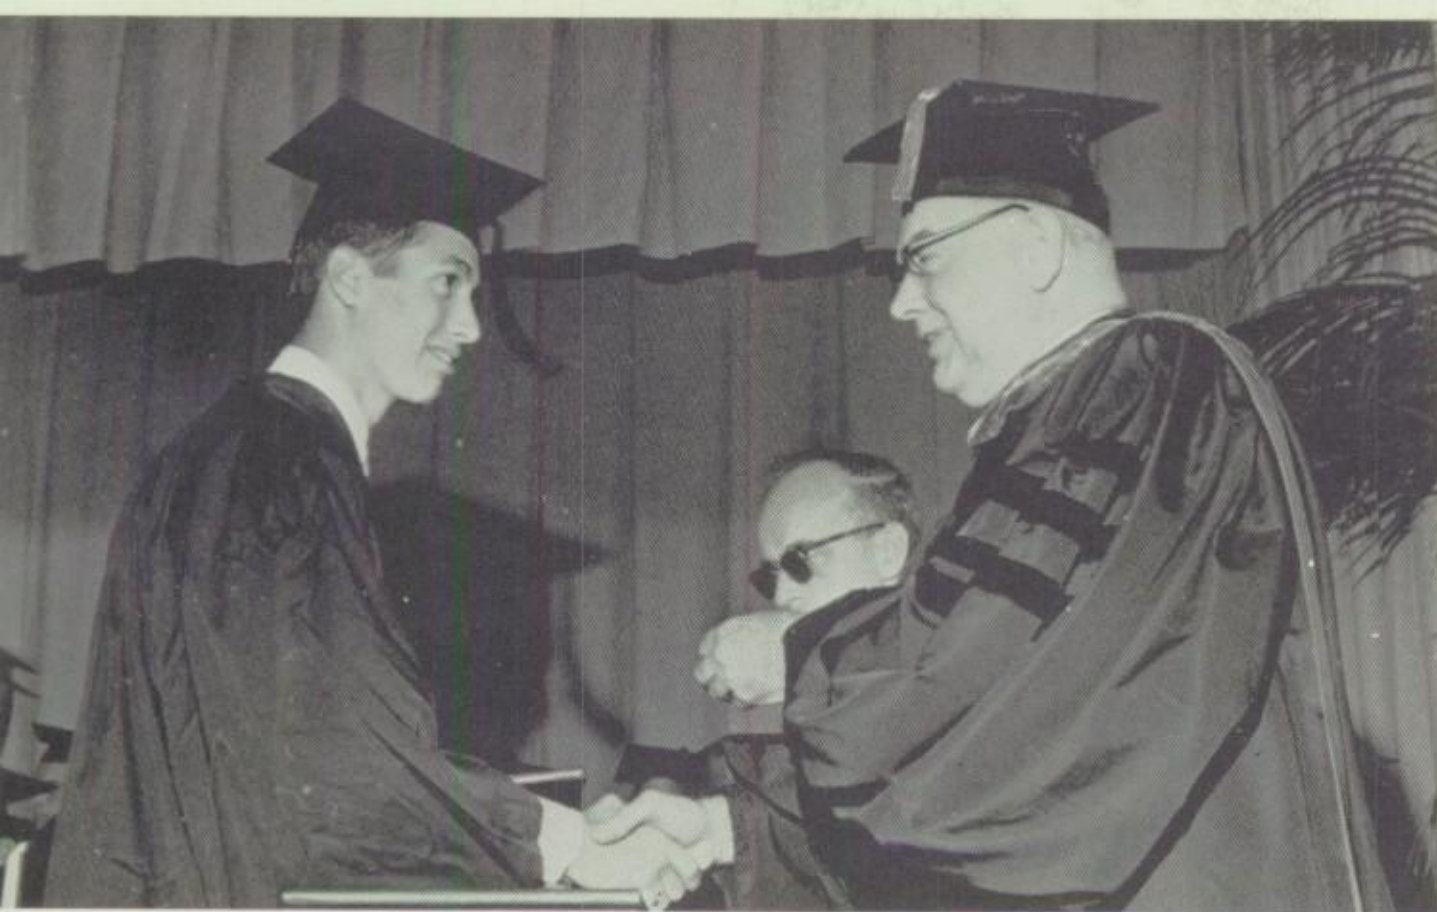

WE BEGAN THE END with Mass, the Holy Sacrifice around which our lives at Mount Vernon revolved.

THE PROCESSIONAL to the auditorium, to face those without whose help we would never have arrived where we were this day

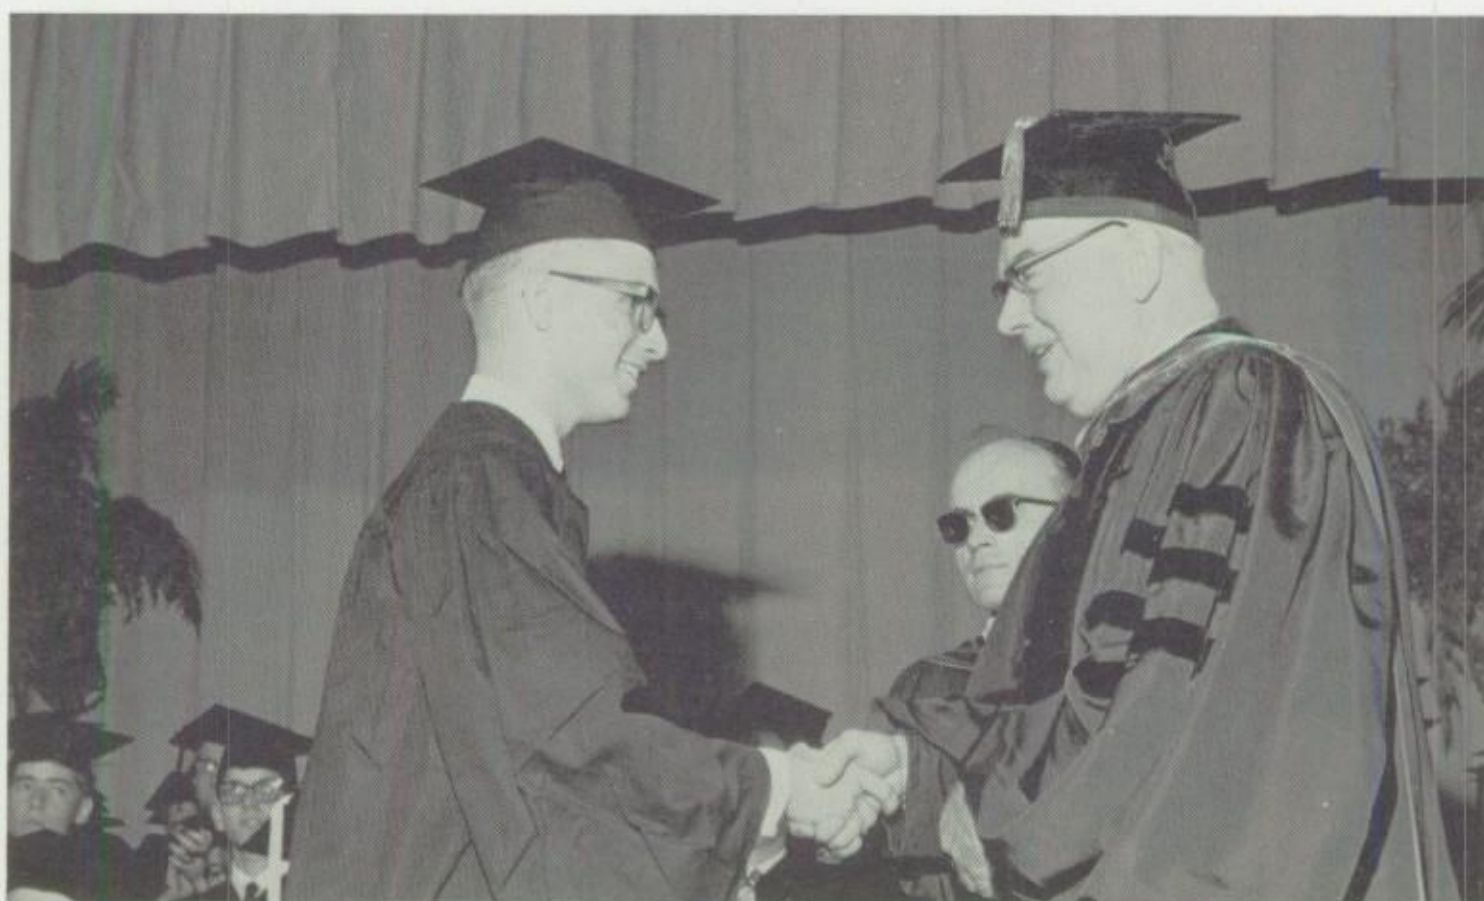

SALUTATORIAN John Shea spoke of the current world and asked those sitting before the graduates to witness this step toward manhood.

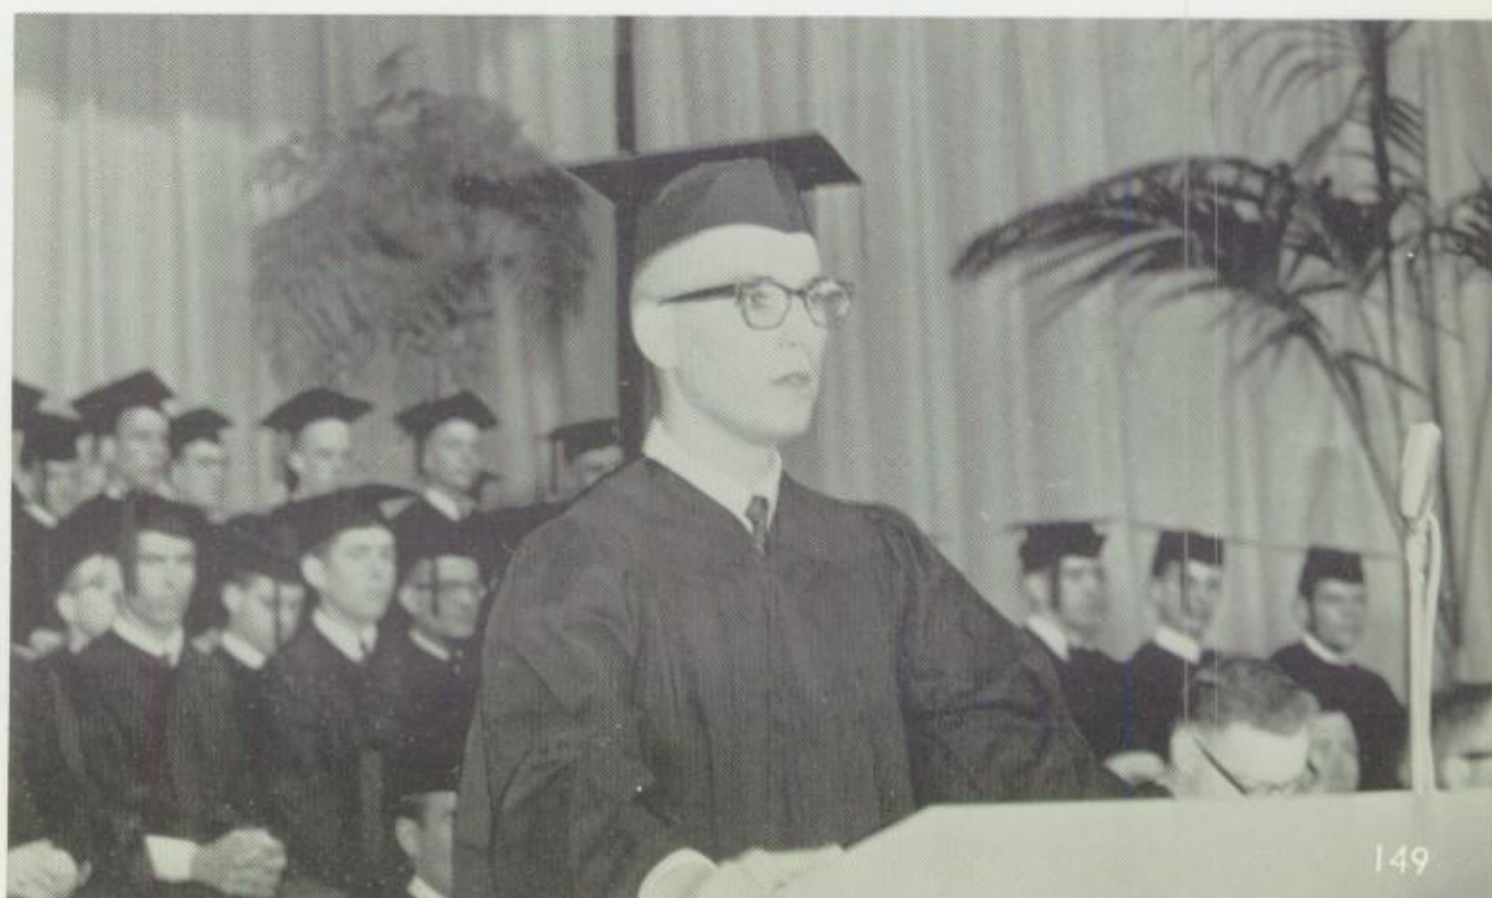

DIPLOMAS were awarded to students such as Richard McCunney (who was also awarded the four year Villanova scholarship, donated by the President and Trustees of Villanova University).

AWARDS were next given. Pictured here is Paul Zak, who received the award for general excellence in studies in the senior class, as well as the Father-Son Organization medal for extra-curricular activity.

ALEDICTORIAN Paul Zak then gave his views about what Malvern had done for the class of 1964 and what the class of 1964 was leaving with Malvern.

Class of 1964

Quo Vadis?

Every man casts a shadow; not his body only, but his imperfectly mingled spirit . . . It is widest at its base, which is no greater than his capacity.

—Henry David Thoreau

The Augustinian Fathers and lay faculty of Malvern Preparatory School have indeed cast their shadows on the Class of 1964. It is not the campus or the buildings, but our mentors, who have transmitted to us an intangible spirit of learning and scholarship. These are men of great capacity who have had us under the shadow of their example. The Christian principles they hold have been conveyed to us in the deepest and fullest sense, for the shadow of influence has been widest at its base—Christ and his Church.

Christian love was not preached or taught like the more worldly subjects. Rather, it was exemplified. A shadow does not dictate rules, it persuades. Influence transcends the words of law and enters the realm of spirit. Human contact and influence might seem vague, but for the receptive, they are meaningful and ever-present.

As the mother-tree shadows the seedlings from the cruelties of storm and sun, so we, the fruit and blossoming of our teachers' efforts, receive protection during our growth while we prepare for our role in the world. We are blessed with a faculty that takes a vigorous, personal interest in the welfare of the students. They watch us grow; they train and prune.

When we move away from their influence, the law of survival takes hold. Are we strong enough to withstand the blazing sun, or will we wither away into the oblivion of the masses? Will we be tomorrow's leaders of Christian laymen in the world, where we are called forth to cast a shadow on our own circle of influence?

There is hope that we will. We have already demonstrated our strength at Malvern. We have begun to spread the branches of our learning and the exercise of our newly found powers over others, by setting a path to be followed by others: a more active student government to generate greater school spirit and a new catholic action group, the Squires, dedicated to spreading Christ's word through example of His love. Our strong mother tree has borne strong fruit. Now we go forth to meet the challenge.

So far we have been fortunate in associating with men for whom it was easy to censure us and to guide us along the right path. Now we venture forth into a world where the shadows of our associates can trick and beguile. Those around us are capable of distorting the true image of the *Light*. We may become easily confused and mistake a false shadow for reality.

But there is a shadow over and above the mere influences of men. By human contact with other men's shadows, we have learned by what rule to guide our own sense of values. We are aware of the shadow that must control every thought and every action of our lives. We must remember that we are always *in conspectu Dei*. His will is to be our will. This is the challenge: to keep the presence of God in mind always, for in Him alone is there security and only He can give "the peace that surpasses all understanding."

In the remembrance of a Catholic layman, who possessed great influence, maybe it would be well for us to recall the credo that he proclaimed to the nation: "Ask not what your country can do for you, but what you can do for your country," and apply that credo to other aspects of our lives. We, the Class of 1964, will not ask what our friends can do for us, but what we can do for our friends; not what our school or church can do for us, but what we can do for our school and what we can do for our church. Through the example of Christian love, we will cast our shadows on the world.
